Legal Canons Jack M. Balkin, Sanford V. Levinson, 2000-08 Every discipline has its canon the set of standard texts approaches examples and stories by which it is recognized and which its members repeatedly invoke and employ Although the last twenty five years have seen the influence of interdisciplinary approaches to legal studies expand there has been little recent consideration of what is and what ought to be canonical in the study of law today Legal Canons brings together fifteen essays which seek to map out the legal canon and the way in which law is taught today In order to understand how the twin ideas of canons and canonicity operate in law each essay focuses on a particular aspect from contracts and constitutional law to questions of race and gender The ascendance of law and economics feminism critical race theory and gay legal studies as well as the increasing influence of both rational actor methodology and postmodernism are all scrutinized by the leading scholars in the field A timely and comprehensive volume Legal Canons articulates the need for and means to opening the debate on canonicity in legal studies Table of Contents [The History of Legal Education in the United States](#) Steve Sheppard, 2007 An invaluable and fascinating resource this carefully edited anthology presents recent writings by leading legal historians many commissioned for this book along with a wealth of related primary sources by John Adams James Barr Ames Thomas Jefferson Christopher C Langdell Karl N Llewellyn Roscoe Pound Tapping Reeve Theodore Roosevelt Joseph Story John Henry Wigmore and other distinguished contributors to American law It is divided into nine sections Teaching Books and Methods in the Lecture Hall Examinations and Evaluations Skills Courses Students Faculty Scholarship Deans and Administration Accreditation and Association and Technology and the Future Contributors to this volume include Morris Cohen Daniel R Coquillette Michael Hoeflich John H Langbein William P LaPiana and Fred R Shapiro Steve Sheppard is the William Enfield Professor of Law University of Arkansas School of Law

An Introduction to the Study of the Constitution Morris M. Cohn, 1892 *Communication and Law* Amy Reynolds, Brooke Barnett, 2006-08-15 This volume brings together scholars from law and communication to discuss the theoretical and methodological approaches used in studying the First Amendment and general communication law issues For scholars and students in mass communication and law *Elements of the Law of Bills, Notes, and Cheques and the English Bills of Exchange Act ...* Melville Madison Bigelow, 1893 **Student Lawyer**, 2002 **The Beginning and End of Rape** Sarah Deer, 2015-11-01 Winner of the Labriola Center American Indian National Book Award Despite what major media sources say violence against Native women is not an epidemic An epidemic is biological and blameless Violence against Native women is historical and

political bounded by oppression and colonial violence This book like all of Sarah Deer s work is aimed at engaging the problem head on and ending it The Beginning and End of Rape collects and expands the powerful writings in which Deer who played a crucial role in the reauthorization of the Violence Against Women Act in 2013 has advocated for cultural and legal reforms to protect Native women from endemic sexual violence and abuse Deer provides a clear historical overview of rape and sex trafficking in North America paying particular attention to the gendered legacy of colonialism in tribal nations a truth largely overlooked or minimized by Native and non Native observers She faces this legacy directly articulating strategies for Native communities and tribal nations seeking redress In a damning critique of federal law that has accommodated rape by destroying tribal legal systems she describes how tribal self determination efforts of the twenty first century can be leveraged to eradicate violence against women Her work bridges the gap between Indian law and feminist thinking by explaining how intersectional approaches are vital to addressing the rape of Native women Grounded in historical cultural and legal realities both Native and non Native these essays point to the possibility of actual and positive change in a world where Native women are systematically undervalued left unprotected and hurt Deer draws on her extensive experiences in advocacy and activism to present specific practical recommendations and plans of action for making the world safer for all

A History of American Law Lawrence M. Friedman, 2019-09-23 Renowned legal historian Lawrence Friedman presents an accessible and authoritative history of American law from the colonial era to the present day This fully revised fourth edition incorporates the latest research to bring this classic work into the twenty first century In addition to looking closely at timely issues like race relations the book covers the changing configurations of commercial law criminal law family law and the law of property Friedman furthermore interrogates the vicissitudes of the legal profession and legal education The underlying theory of this eminently readable book is that the law is the product of society In this way we can view the history of the legal system through a sociological prism as it has evolved over the years
