You might come across love many times in life but the one that you experience with your best friend is etched for eternity Ajay is fighting demons in his mind after losing his wife Bhavna Ten years of togetherness and a harsh twist of fate have thrown him into the pit of depression With medication and therapy helping him fight his immense grief there is only one ray of hope for him he wants to immortalize his wife Anisha lives life queen size Making the most of each moment she loves everything that she is blessed with She is shocked when she meets Ajay How can

someone hate God so much More than anything what will that hatred do to him Even as her mind makes a harsh judgment about Ajay her heart notices his simple and caring gesture that changes her perception completely So begins the journey of two people who are poles apart A journey which will change their outlook towards life Ever felt the need to have a friend who could just sit with you and talk for hours Do you think friendship can bring you out of emotional pain and depression Read this emotional rollercoaster from the pen of bestselling author Ajay K Pandey which explores friendship like never before and is sure to re affirm your faith in life John the Evangelist: a Message to the Saints Cres Smith, 2005-04-14 John the Evangelist A message to the Saints John took the time to write his gospel long after the other gospels had been written and before the critical challenges to the Christian Church came after the first century John was unique in his relationship to Christ As a young man he knew Jesus from the time he was baptized He must have even known him before the baptism since his mother and Jesus mother Mary were sisters Jesus was near thirty years old when John was yet a teen age boy Had John known Jesus he undoubtedly would have been impressed with his older cousin and would have known of Jesus life before he started his mission Johns presence at the wedding in Cana is a good example of that relationship At the later of Johns life he saw the fruits of Jesus ministry as the gospel was spread throughout the world John saw the threats to the infant church and prepared a gospel that would keep the doctrine pure Johns Gospel served as a stalwart testimony in defending the beliefs of the Christian Church He knew what the needs of the Saints would be down through the centuries and prepared us for the doctrinal threats Because of the uniqueness of his writing it is analyzed as a nearly independent message in an attempt to understand Johns message clearly No particular secular doctrine of Christian Church philosophy is to be proven or purposefully supported An attempt is made to understand John as he intended by analyzing the verses he has written one by one just as one would read the scriptures in a study class At times the study looks forward or back for support of his writing but few references are made to other scriptures outside Johns writing and the investigation is limited to what John wrote External references are used to clarify the translation and historical accuracy Obviously this work can only be accomplished with the support of the Holy Ghost and this book is a simple attempt to use the spiritual power available to us to understand and learn Many may say that this is a fool hearty attempt since they have had unreliable experiences in working with the spirit On the other hand if the writings are spiritual then the spirit can best interpret them for us Great insight has been obtained by this approach and is available to the reader to strengthen him as John intended First and foremost Johns writing is a testimony of Jesus the Christ as the Savior of the World John was with Jesus from the beginning of his ministry and through the final persecution To be with Christ as John was is to look at the Savior through his eyes We can see as John saw all that took place with Jesus We are well aware that Jesus was of a earthly mother and a Godly Father The impact of this dichotomy is seldom discussed as John brings it forth Just how human was Jesus Did he really see and feel as another human might Johns gospel takes us through Jesus life and experiences as we learn just how human he was He obeyed his mother at

Cana even thought he would have preferred not to Jesus wept for Lazarus although he had the power to avoid the grief Jesus human traits and how they changed through his experiences are discussed Knowing that he was human and suffered as a human brings the Savior so much closer to us and removes any ambiguity that Jesus is the Christ John was at Jesus baptism He saw the Baptist take Jesus into the water and when he emerged he saw the sign of the dove as an indication of the Holy Ghost and the voice of the Father as he spoke John was a young man and he wrote as he witnessed With the signs that were displayed came the realization by the Baptist that this was indeed the Savior that he had prepared his whole life to baptize How important it was that Jesus be baptized and that the Baptist was there to perform it No one on earth had the power or authority to baptize the Savior One can only imagine the happiness of t
