economic challenges facing the world's most popular **How to Milk the Betting Exchange Cash Cow** Drew Kasch, 2019-09-19 Online betting exchanges such as Matchbook Betfair and Intrade are quickly becoming a speculator's paradise. This is the very same book that has been selling online since 2005 for 39 per copy, recently revised and updated. Many professional online speculators credit this book as their training manual. In fact, they don't want you to have it. While you are sitting there, a handful of betting exchange pros are going through their daily routine of finagling profitable positions, playing bookie and working arbitrage angles at the betting exchanges for 6 figure annual incomes. Armed with the knowledge and tactics taught in this course, you can be one of them. Topics covered include: Complete detailed strategies for trading in the various markets offered at betting exchanges; Differences between sports books, financial brokers and betting exchanges and how to exploit them; Playing Bookie vs finding overlays; Primer on what betting exchanges are and how they work; Explanation of the markets covered; Understanding the odds; Plenty of tables and examples. When you are done with this book, you will understand exactly how to get the best of it at the online betting exchanges and will probably never make a bad wager again.

It's the perfect reference for the first time Betfair player and also reveals tips and tricks to satisfy even the most seasoned punter. *Winning on Betfair* FD includes information on Backing and laying, Placing more than one bet in a market, Betting in play, Telephone, mobile phone, and PDA betting, Trading, arbing, and bots, Making a profession of it. *International Sports Betting* Jean-Patrick Villeneuve, Martial Pasquier, 2018-10-09. Sports betting has become a truly global phenomenon facilitated by new communication technologies. As a result, the development of deviances from match fixing to money laundering has accelerated. This new reality has numerous implications for both the regulation of this billion dollar industry and the very integrity of sport, sport financing, and betting operations. Written by an international team of academic researchers and industry professionals, *International Sports Betting* explores the central concepts of integrity and deviance, governance, and policy, as well as perennial issues linked to the gambling sector such as regulatory responsibilities and the fight against gambling addiction. Unlike other treatments of the gambling industry, the book offers a multi-disciplinary sociological and managerial critique that goes beyond a traditional focus on law and regulation. This is fascinating reading for any student, researcher, or practitioner working in the areas of sport business, international business, international regulation, policy studies, or gambling studies.
