Opposable Thumbs Matt Singer, 2023-10-24 Once upon a time if you wanted to know if a movie was worth seeing you didn't check out Rotten Tomatoes or IMDB You asked whether Siskel Ebert had given it two thumbs up On a cold Saturday afternoon in 1975 two men who had known each other for eight years before they'd ever exchanged a word met for lunch in a Chicago pub Gene Siskel was the film critic for the Chicago Tribune Roger Ebert had recently won the Pulitzer Prize the first ever awarded to a film critic for his work at the Chicago Sun Times To say they despised each other was an understatement

When they reluctantly agreed to collaborate on a new movie review show with PBS there was at least as much sparring off camera as on No decision from which films to cover to who would read the lead review to how to pronounce foreign titles was made without conflict but their often antagonistic partnership which later transformed into genuine friendship made for great television In the years that followed their signature Two thumbs up would become the most trusted critical brand in Hollywood In Opposable Thumbs award winning editor and film critic Matt Singer eavesdrops on their iconic balcony set detailing their rise from making a few hundred dollars a week on local Chicago PBS to securing multimillion dollar contracts for a syndicated series a move that convinced a young local host named Oprah Winfrey to do the same Their partnership was cut short when Gene Siskel passed away in February of 1999 after a battle with brain cancer that he d kept secret from everyone outside his immediate family including Roger Ebert who never got to say goodbye to his longtime partner But their influence on in the way we talk about and think about movies continues to this day **Encyclopedia of African American**

Butters,2016-01-31 Racial politics and capitalism found a way to blend together in 1970s Chicago in the form of movie theaters targeted specifically toward African Americans In *From Sweetback to Super Fly* Gerald Butters examines the movie theaters in Chicago's Loop that became as he describes them black spaces during the early 1970s with theater managers making an effort to gear their showings toward the African American community by using black themed and blaxploitation films Butters covers the wide range of issues that influenced the theaters from changing racial patterns to the increasingly decrepit state of Chicago's inner city and the pressure on businesses and politicians alike to breathe life into the dying area Through his extensive research Butters provides an in depth look at this phenomenon delving into an area that has not previously been explored His close examination of how black themed films were marketed and how theaters showing these films tried to draw in crowds sheds light on race issues both from an industrial standpoint on the side of the theaters and movie producers as well as from a cultural standpoint on the side of the moviegoers and the city of Chicago as a whole Butters provides a wealth of information on a very interesting yet underexamined part of history making *From Sweetback to Super Fly* a supremely enjoyable and informative book *Creepy Crawling* Jeffrey Melnick,2018-07-17 Creepy crawling was the Manson Family's practice of secretly entering someone's home and without harming anyone leaving only a trace of evidence that they had been there some reminder that the sanctity of the private home had been breached Now author Jeffrey Melnick reveals just how much the Family creepy crawled their way through Los Angeles in the sixties and then on through American social political and cultural life for close to fifty years firmly lodging themselves in our minds Even now it is almost impossible to discuss the sixties teenage runaways sexuality drugs music California and even the concept of family without referencing Manson and his girls Not just another history of Charles Manson *Creepy Crawling* explores how the Family weren't so much outsiders but emblematic of the Los Angeles counterculture freak scene and how Manson worked to connect himself to the mainstream of the time Ever since they spent two nights killing seven residents of Los Angeles what we now know as the Tate LaBianca murders the Manson family has rarely slipped from the American radar for long From Emma Cline's *The Girls* to the recent TV show *Aquarius* the family continues to find an audience What is it about Charles
