Negotiating Your Investments Steven G. Blum, 2014-04-09 Get smart about personal finance with the art and science of negotiation Negotiating Your Investments is an in-depth guide to applying the principles of negotiation to your personal finances With expert insight into the before during and after of a successful negotiation you'll learn how to prepare for and conduct important financial discussions with an eye toward getting the best possible outcome The book contains practical actionable guidance toward pursuing what you really want and tools that can greatly improve your chances of getting it Clear concrete advice describes how to influence the other side avoid being taken advantage of and direct the conversation to your advantage As a rule investors fail to negotiate over financial matters to their great detriment Improving returns or reducing fees by a mere 1 percent per year can make a remarkable difference in your bottom line For example a million dollar investment that returns 7.5 percent rather than 6.5 percent over 30 years will put an extra 2.1 million dollars in your pocket On the other hand that much money could easily go straight into someone else's purse With that much money at stake good negotiating practices become extremely valuable Negotiating Your Investments provides the skills and tools you need to hold your own at the negotiating table while offering advice you can put to work immediately

Topics include The elements of negotiation identifying goals interests commitments alternatives and power Preparation information exchange bargaining and closing and commitment the four phases of negotiation Asymmetric information conflicts of interest professionalism and whom to trust Investment vehicles and the economic science that lies behind wise investing Hard economic truths involving past results rational market pricing diversification interest rates and the effect of costs on investment returns While the focus is on personal finance the book also includes techniques analysis and examples drawn from award winning negotiation courses It explores the basic theoretical models of bargaining in depth With **Negotiating Your Investments** you ll gain the skills and confidence you need to be smarter and get better outcomes in both your financial affairs and the many other negotiations you conduct every day **Negotiation Skills Training** Lisa J. Negotiating at Work Deborah M. Kolb, Jessica L. Porter, 2015-01-27 Understand the context of negotiations to achieve better results Negotiation has always been at the heart of solving problems at work Yet today when people in organizations are asked to do more with less be responsive 24/7 and manage in rapidly changing environments negotiation is more essential than ever What has been missed in much of the literature of the past 30 years is that negotiations in organizations always take place within a context of organizational culture of prior negotiations of power relationships that dictates which issues are negotiable and by whom When we negotiate for new opportunities or increased flexibility we never do it in a vacuum We challenge the status quo and we build out the path for others to negotiate those issues after us In this way negotiating for ourselves at work can create small wins that can grow into something bigger for ourselves and our organizations Seen in this way negotiation becomes a tool for addressing ineffective practices and outdated assumptions and for creating change *Negotiating at Work* offers practical advice for managing your own workplace negotiations how to get opportunities promotions flexibility buy in support and credit for your work It does so within the context of organizational dynamics recognizing that to negotiate with someone who has more power adds a level of complexity The is true when we negotiate with our superiors and also true for individuals currently under represented in senior leadership roles whose managers may not recognize certain issues as barriers or obstacles *Negotiating at Work* is rooted in real life cases of professionals from a wide range of industries and organizations both national and international Strategies to get the other person to the table and engage in creative problem solving even when they are reluctant to do so Tips on how to recognize opportunities to negotiate bolster your confidence prior to the negotiation turn asks into a

negotiation and advance negotiations that get stuck A rich examination of research on negotiation conflict management and gender By using these strategies you can negotiate successfully for your job and your career in a larger field you can also alter organizational practices and policies that impact others
