of space leads a scientific mission to make first contact with an extra terrestrial culture In the true tradition of Jesuit adventurers before him Sandoz and his companions are prepared to endure isolation suffering even death but nothing can prepare them for the civilisation they encounter Or for the tragic misunderstanding that brings the mission to a devastating end Once considered a living saint Sandoz returns alone to Earth horrifically maimed both physically and spiritually the mission s sole survivor only to be blamed for the mission s failure and accused of heinous crimes Written in clean effortless prose and peopled with memorable characters who never lose their humanity or humour The Sparrow is a powerful haunting fiction a tragic but ultimately triumphant novel about the nature of faith of love and what it means to be human and widely considered to be a classic of the genre
