## **Bentley Traditions And Encounters 5th Edition:**

Die Frühe Neuzeit als Epoche Helmut Neuhaus, 2019-05-06 In der zweiten Hälfte des 20. Jahrhunderts hat sich in der Geschichtswissenschaft die Frühe Neuzeit als Epochenbegriff für die Zeit von ca. 1500 bis ca. 1800 weitgehend durchgesetzt. Zum Erfolg des Epochenbegriffs gehört, dass er auch in zahlreichen historischen Teildisziplinen Verbreitung fand, in denen sich für diesen Zeitraum sehr unterschiedliche Bezeichnungen eingebürgert hatten. Im vorliegenden Band wird die Frühe Neuzeit interdisziplinär diskutiert und in wissenschaftlicher und künstlerischer, konfessionsräumlicher, politischer und wirtschaftsgeschichtlicher Kontexten thematisiert. In einer Zeit, in der die Globalisierung die Welt und folglich auch die Weltgeschichte stärker ins Blickfeld rückt, muss zudem die Frage gestellt werden, ob die Frühe Neuzeit als eine zunächst auf Mitteleuropa bezogene Epoche auch in den Geschichten anderer Weltgegenden etwa dem indischen, atlantischen und japanischen Raum als Epochenbezeichnung brauchbar ist.

**The Comfort Women Hoax** J. Mark Ramseyer,Jason M. Morgan,2024-01-23 During World War II the Japanese military extended Japan s civilian licensing regime for domestic brothels to those next to its overseas bases It did so for a simple reason to impose the strenuous health standards necessary to control the venereal disease that had debilitated its troops in earlier wars In turn these brothels dubbed comfort stations recruited prostitutes through variations on the standard indenture contracts used by licensed brothels in both Korea and Japan The party line in Western academia though is that these comfort women were dragooned into sex slavery at bayonet point by Japanese infantry But as the authors of this book show that narrative originated as a hoax perpetrated by a Japanese communist writer in the 1980s It was then spread by a South Korean organization with close ties to the Communist North Ramseyer and Morgan discuss how these women really came to be in Japanese military comfort stations Some took the jobs because they were tricked by fraudulent recruiters Some were under pressure from abusive parents But the rest of the women seem to have been driven by the same motivation as most prostitutes throughout history want of money Indeed the notion that these comfort women became prostitutes by any other means has no basis in documentary history Serious intellectuals of all political perspectives in both South Korea and Japan have understood this for years Ramseyer and Morgan s findings caused a firestorm in Japanese Studies academia For

explaining that the women became prostitutes of their own volition both authors of this book found themselves cancelled In this book the authors detail both the history of the comfort women and their own persecution by academic peers Only in the West and only through brutal stratagems of censorship and ostracism has the myth of bayonet point conscription survived

*Safari Based Theology* Dr. Enos Lwamba, 2012-12-21 In Safari based Theology Dr Enos Lwamba has developed an approach to theology and mission based on his proposed safari motif for the development of theology and mission Based on his Ph D dissertation The Safari Motif in the Development of Theology in Africa Dr Lwamba argues that God has used a series of divine redemptive safaris in the Bible to reveal Himself progressively to people The author develops his proposed motif around a tri dimensional conception of reality and time and explores a threefold aspect of the safari mwanzo sasa and mwisho which provide keys to the African mindset He explores the various meanings and uses of the safari idea from both a biblical and theological perspective In addition to the literal safaris journey is an analogy of the church and believers are on a divine safari individually and collectively The safari model highlights the absolute necessity of

the biblical message and the contextual situation to help Christians live effective and fruitful lives in society now and in future Inspired by both John Mbitis *The African Concept of Time* and Paul Hiebert's *The Flaw of the Excluded Middle* the author utilizes biblical theological historical and contextual sources to make his point In the philosophical aspect of the safari the author develops his notion of an African conception of time modeled on the cultural safari idea which he relates to development of theology and mission He refutes the western influenced or commercially based notion that safari refers to a game hunting or tourist expedition to Africa Dr Lwamba promotes the argument that the philosophical framework and methodology drawn from the safari approach provides a more effective way of doing theology and mission in Africa and other contextual situations He also draws parallels to the safari concept from such sources as Augustines *City of God* John Bunyans *The Pilgrims Progress* and others in a refreshing and original style that the reader will find engaging The motif provides interpretational and practical application tools as it harmonizes the unity of the biblical message Its practical appeal makes Safari Based Theology a must read for Christians and others interested in their daily journey of faith The author contends that just as the idea of logos described the mindset conception of divine truth and aspirations of the Greek mind the concept of safari does the same for the African This book is highly recommended for pastors missionaries and teachers as well as students of Bible and theology culture and missions and other related disciplines
