Beyond Happiness The Zen Way To True Contentment Ezra Bayda:

Beyond Happiness Ezra Bayda, 2011-09-13 A Zen teacher explains that true happiness can only be found by dropping our ideas about happiness and learning to live fully and fearlessly in the moment Many books have been published in recent years on happiness Ezra Bayda a remarkably down to earth Zen teacher believes that the happiness boom has been largely a bust for readers Why Because it s precisely the pursuit of happiness that keeps us trapped in cycles of dissatisfaction and suffering In *Beyond Happiness* Bayda draws on Zen teachings to question our conventional notions about what happiness is and where we can find it Most of us seek happiness in things that are external to us We imagine that getting more money a better relationship or going on a nice vacation will finally make us happy But Bayda shows us that the deepest and most lasting form of happiness does not rely on external circumstance at all Bayda offers Zen insights and practices that point readers toward the true sources of lasting happiness mindfulness compassion gratitude and generosity **The Zen Way of**

Wonderfully accessible Zen teachings for how to live your life genuinely honestly and happily in the face of life s inevitable difficulties Ever feel like your efforts to live a life of wisdom honesty and compassion are hijacked by well life Take heart Ezra Bayda has good news life s challenges aren t obstacles to our path they are the path Understanding that liberates us to use every aspect of what life presents us with as a way to live with integrity and authenticity and joy In this as in all his books Ezra s teaching is Zen made

wonderfully practical in a way that can apply to anyone's life. Meditation is the foundation but it doesn't stop there. It's about learning to take the practice of presence we cultivate in meditation to all the rest of our complicated lives. Doing that empowers us to navigate our journey with the integrity and authenticity that are what a satisfying life is all about. **Der kleine Buddha-Hase** Krista Lester, 2015-03-16 Mit dem kleinen Buddha Hasen auf der Suche nach dem Glück. Auch hinter der kleinsten Mähre kann man manchmal das größte Glück entdecken. Wie der kleine Buddha Hase und macht sich vergnügt auf den Weg zur Erleuchtung. Mit seinen pointierten Lebensweisheiten bringt der sympathische Hase die Lehre des Buddha auf den Punkt, unterhaltsam inspirierend und für jeden verständlich. Ein liebevoll gestaltetes Buch, das wertvolle Erkenntnisse für das eigene Leben vermittelt und zeigt, wie wir zur wahren Buddha-Natur finden können. **The War Within - Between Good and Evil** Bhimeswara Challa, The human has always prided himself as an exceptional moral species but has always been haunted by two questions: Why am I not good when I want to be? Why do I do bad when I don't want to? This is at the heart of what scriptures and sages have long alluded to as the eternal internal struggle between good and evil that wages in the human consciousness. The book posits that much of our confusion and angst stems from our inability to recognize the ramifications of this war between two sides of our own self. It is because we are ignoring this war between two sides of our own self. It is because we are ignoring this war that we are losing all other wars of the world. That ignorance is the primary source of all the horrors, malevolence and violence that fill us with so much dread. But a favorable outcome is possible only if the forces of goodness are aided to get an upper hand consistently and that calls for two cathartic changes: consciousness change by inducing a turn from the mind to the heart and contextual change by radically reconstructing the roles of morality, money and mortality in our everyday lives. The book offers a menu of insights and options we all can use to tilt the scales in the war waging inside each of us. *The Best Buddhist Writing 2013* Melvin McLeod, Editors of the Shambhala Sun, 2013-09-24 A thought provoking collection of the most notable and insightful Buddhism inspired writing published in the last year.
