Design Thinking Isabel K. Adler, Brenda Lucena, Mauricio Vianna, Ysmar Vianna, Beatriz Russo, 2014 English summary This study introduces the method of design thinking as a strategic tool for companies Design thinking suggests approaching a task from different angles thus triggering or supporting innovative processes This works best when customers and employees from various fields cooperate to find a dynamic solution to a problem As part of their consulting projects undertaken for numerous Brazilian companies the authors have dealt extensively with options for the practical application of design thinking Based on their experience they suggest an approach which can

be divided into four phases immersion analysis synthesis brainstorming and prototyping Best practice case studies illustrate these individual phases in more detail German description In diesem Buch wird die Methode des Design Thinking als ein strategisches Werkzeug für Unternehmen vorgestellt Design Thinking ermöglicht eine Aufgabe aus verschiedenen Blickwinkeln zu betrachten und so den Innovationsprozess in Gang zu bringen oder zu unterstützen Das gelingt am Besten wenn Kunden und Mitarbeiter verschiedener Fachrichtungen gemeinsam an der dynamischen Lösung eines Problems arbeiten Die Autoren haben sich im Rahmen ihrer beratenden Tätigkeit in zahlreichen brasilianischen Unternehmen ausführlich mit dem möglichen Prozessablauf von Design Thinking befasst Sie schlagen auf Grundlage ihrer Erfahrungen einen Ansatz vor der sich in vier Phasen aufteilt Immersion Analyse Synthese Ideensammlung und Prototypisierung Die Inhalte der einzelnen Phasen werden durch best practice Beispiele illustriert *Design Thinking for Innovation* Walter Brenner, Falk Uebernickel, 2016-02-24 This book presents the full scope of Design Thinking in theory and practice bringing together prominent opinion leaders and experienced practitioners who share their insights approaches and lessons learned As Design Thinking is gaining popularity in the context of innovation and information management the book elaborates the specific interpretations and meanings of the concept in different fields including engineering management and information technology As such it offers students and professionals a sourcebook revealing the power of Design Thinking while providing academics a roadmap for further research Strategic Design Thinking Natalie W. Nixon, 2015-10-22 Who can design For too long that question has highlighted the supposed division between right brain dominant creative types and left brain dominant analytical types Such a division is not practical for preparing students to become innovative contributors to the complex world of design Strategic Design Thinking guides readers to cultivate hybrid thinking whether their background is design finance or any discipline in between This book is an introduction to an integrative approach using the lens of design thinking as a way to see the world The focus is on process instead of solution and on connecting disparate ideas instead of getting bogged down by silos of specialization Through this book students will be introduced to design management strategic design service design and experience design *Design Thinking* Michael G. Luchs, Scott Swan, Abbie Griffin, 2015-11-02 Develop a more systematic human centered results oriented thought process Design Thinking is the Product Development and Management Association's PDMA guide to better problem solving and decision making in product development and beyond The second in the New Product Development Essentials series this book shows you how to bridge the gap between the strategic importance of design and the tactical approach of design thinking You'll learn how to approach new product development from a fresh perspective with a focus on systematic targeted thinking that results in a repeatable human centered problem solving process Integrating high level discussion with practical actionable strategy this book helps you retool your thought processes in a way that translates well beyond product development giving you a new way to approach business strategy and more Design is a process of systematic creativity that yields the most appropriate solution to a properly

identified problem Design thinking disrupts stalemates and brings logic to the forefront of the conversation This book shows you how to adopt these techniques and train your brain to see the answer to any question at any level in any stage of the development process Become a better problem solver in every aspect of business Connect strategy with practice in the context of product development Systematically map out your new product service or business Experiment with new thought processes and decision making strategies You can't rely on old ways of thinking to produce the newest most cutting edge solutions Product development is the bedrock of business whether your product is a tangible object a service or the business itself and your approach must be consistently and reliably productive Design Thinking helps you internalize this essential process so you can bring value to innovation and merge strategy with reality
