McIntosh, Phil Stevenson, 2018-01-02 Just as a physically healthy person at an ideal weight and with good blood pressure and cholesterol numbers might not actually be fit enough to run a 5k so churches can appear healthy with no obvious issues maintaining a healthy size and yet not exhibit fitness A fit church is one that is not satisfied with merely coasting along with no problems A fit church is actively making disciples maturing in faith developing strong leaders reaching out to the community and more Building the Body offers pastors and church leaders twelve characteristics of fit churches and shows them how they can move their church through five levels of fitness from beginner all the way to elite just as an athlete through training and practice can become the top in his or her class Includes comparison charts at the end of each chapter so readers can clearly see where their church currently falls and concluding Complete the Progress Chart so that they can see what their goals should be for the future

Deep Preaching J. Kent Edwards, 2009 J Kent Edwards recalls a story that

late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming
