Dexter And Philosophy Mind Over Spatter Popular Culture And Philosophy:

Dexter and Philosophy Richard Greene, George A. Reisch, Rachel Robison, 2011-04-12 What explains the huge popular following for Dexter currently the most watched show on cable which sympathetically depicts a serial killer driven by a cruel compulsion to brutally slay one victim after another Although Dexter Morgan kills only killers he is not a vigilante animated by a sense of justice but a charming psychopath animated by a lust to kill ritualistically and bloodily However his gory appetite is controlled by Harry's Code which limits his victims to those who have gotten away with murder and his job as a blood spatter expert for the Miami police department gives him the inside track on just who those legitimate targets may be In Dexter and Philosophy an elite team of philosophers don their rubber gloves and put Dexter's deeds under the microscope Since Dexter is driven to ritual murder by his Dark Passenger can he be blamed for killing especially as he only murders other murderers Does Dexter fit the profile of the familiar fictional type of the superhero What part does luck play in making Dexter who he is How and why are horror and disgust turned into aesthetic pleasure for the TV viewer How essential is Dexter's emotional coldness to his lust for slicing people up Are Dexter's lies and deceptions any worse than the lies and deceptions of the non criminals around him Why does Dexter long to be a normal human being and why can't he accomplish this apparently simple goal Dexter and Philosophy Richard Greene, George A. Reisch, Rachel Robison-Greene, 2011 In Dexter and Philosophy an elite team of philosophers don their rubber gloves and put Dexter's deeds under the microscope

society emerges with new beliefs and new rules The Ultimate Walking Dead and Philosophy brings together twenty philosophers with different perspectives on the imagined world of this addictive TV show How can we keep our humanity when faced with such extreme life or death choices Did Dr Jenner do the right thing in committing suicide when all hope seemed to be lost Does the Governor as the new Machiavelli prove that willingness to repeatedly commit murder is the best technique for getting and keeping political power Why do most characters place such importance on keeping particular individuals alive especially children What can we learn about reality from Rick s haunting hallucinations Divergent and Philosophy Courtland Lewis,2015-12-01 Courtland Lewis has scoured the planet to bring together the most talented faction members factionless and even a few from the Bureau to discuss the philosophy of Divergent Divergent and Philosophy begins by examining the personal struggles that all people face at some time What sort of person should I be What if I find out my life is a lie What do I owe my parents Am I normal Once readers have finished answering these questions they re ready for the choosing ceremony Part two examines each faction looking at its virtues vices and other features that will help readers pick the right faction This part gives readers a glimpse into what it s like to be faced with the most important decision of our lives the one that will forever determine who we are Part three takes a step takes a step back in order to question Chicago s ordering of society Chicago is on the verge of revolution but is this the result of the faction system itself or is it the people within the factions that are behind the social discord Part four shifts the focus individuals and those who hold power Part five tells us how to recognize injustice **Philip K. Dick and Philosophy** D. E. Wittkower,2011 Science fiction writer Philip K Dick 1928 1982 is the giant imagination behind so much recent popular culture both movies directly based on his writings such as Blade Runner based on the novel Do Androids Dream of Electric Sheep Total Recall Minority Report and The Adjustment Bureau plus cult favorites such as A Scanner Darkly Imposter Next Screeners and Paycheck and works revealing his powerful influence such as The Matrix and Inception With the much anticipated forthcoming publication in 2011 of volume 1 of Exegesis his journal of spiritual visions and paranoid investigations Dick is fast becoming a major influence in the world of popular spirituality and occult thinking In Philip K Dick and Philosophy Who Adjusts the Adjustment Bureau twenty Dick fans and professional thinkers confront the fascinating and frightening ideas raised by Dick s mind blowing fantasies Is there an alien world behind the everyday reality we experience If androids can pass as human should they be given the same consideration as humans Do psychotics have insights into a mystical reality Would knowledge of the future free us or enslave us This volume will also include Dick s short story Adjustment Team on which The Adjustment Bureau is based Philip K Dick and Philosophy explores the ideas of Philip K Dick in the same way that he did with an earnest desire to understand the truth of the world but without falsely equating earnestness with a dry seriousness Dick s work was replete with whimsical and absurdist presentations of the greatest challenges to reason and to humanity paradox futility paranoia and failure and even at his darkest times he was able to keep some perspective and humor as for example in choosing to name himself Horselover

Fat in VALIS at the same time as he relates his personal religious epiphanies crises and delusions With the same earnest whimsy we approach Philip K Dick as a philosopher like ourselves one who wrote almost entirely in thought experiments and semi fictional world building but who engaged with many of the greatest questions of philosophy throughout the Euro American tradition Philip K Dick and Philosophy has much to offer for both serious fans who have read many of his novels and stories and for those who may have just recently learned his name and realized that his work has been the inspiration for several well known and thought provoking films Most chapters start with one or more of the movies based on Dick s writing From here the authors delve deeper into the issues by bringing in philosophers perspectives and by bringing in Dick s written work The book invites the reader with a casual familiarity with Dick to get to know his work and invites the reader with little familiarity with philosophy to learn more At the same time we have new perspectives and challenging connections and interpretations for even the most hard core Dick fans even though we never speak to insiders only To maximize public interest the book prominently addresses the most widely known films as well as those with the most significant fan followings Blade Runner Total Recall Minority Report A Scanner Darkly and The Adjustment Bureau Along with these big five films a few chapters address his last novels especially VALIS which have a significant cult following of their own There are also chapters which address short stories and novels which are currently planned for adaptation Radio Free Albemuth film completed awaiting distribution The Man in the High Castle in development by Ridley Scott for BBC mini series and King of the Elves Disney planned for release in 2012
