to notice or care that the US Border Patrol is monitoring the Super Bowl as they have for years one of the many ways that forces created to police the borders are now being used in an increasingly militarized fashion to survey and monitor the whole of American society In fast paced prose Todd Miller sounds an alarm as he chronicles the changing landscape Traveling the country and beyond to speak with the people most involved with and impacted by the Border Patrol he combines these first hand encounters with careful research to expose a vast and booming industry for high end technology weapons surveillance and prisons While politicians and corporations reap substantial profits the experiences of millions of men women and children point to staggering humanitarian consequences Border Patrol Nation shows us in stark relief how the entire country has become a militarized border zone with consequences that affect us all Todd Miller has worked on and written about US border issues for over fifteen years *Análisis del desarrollo mediático en República Dominicana* Grullón Morillo, Adalberto, 2017-09-04
