## **Digital Media Primer 3rd Edition Yue Ling Wong:**

Digital Media and Innovation Richard A. Gershon, 2024-03-26 This fully updated second edition explores the importance of innovation and innovative thinking for the long term success of today's leading media telecommunications and information technology companies. The book takes an in-depth look at how smart creative companies have transformed today's digital economy by introducing unique and highly differentiated products and services. This edition provides a detailed overview of intelligent networks and analyzes disruptive business models and processes from companies involved in social media, artificial intelligence, the metaverse, smart cities, and robotics among other emerging areas. From Apple to Zoom, this book considers some of the key people, companies, and strategies that have transformed the communication industries. Exploring the power of good ideas, this book goes inside the creative edge and looks at what makes such companies successful over time. Digital Media and Innovation is suited to advanced undergraduate and graduate courses in media management, media industries, communication technology, and business management and innovation and provides up-to-date research for media and business professionals. The British National Bibliography Arthur James Wells, 2009 **Digital Media Primer**

Yue-Ling Wong, 2009 This book provides a strong universal foundation in the core concepts and practice that are applicable in digital media. For a more in-depth look at digital media, the series includes two other books which each take either a technical or artistic perspective. The book covers the essentials of digital media: digital imaging, video, audio, and multimedia authoring. Analogies drawn from everyday life are used to explain abstract concepts. Software-specific videos show how to use popular digital media applications. For anyone interested in learning the basics of digital media. Who's Who in America Marquis Who's Who, Inc., 2002 **Digital Art** Yue-Ling Wong, 2008-11-01 For introductory digital media courses that originate in the art department or communication department. Digital media courses arise in a variety of contexts: Computer Science, Art, Communication. This innovative series makes it easy for instructors and students to learn the concepts of digital media from whichever perspective they choose. **Digital Art: Its Art and Science** explores the application of art and design principles in the digital realm. It explains some of the necessary technical details of digital media that can help art students make better technical decisions when using their tools for creative purposes. Although the material is technical, it emphasizes the elements of art and design. **Digital Media Primer**, **Digital Media Primer Access Card** Yue-Ling Wong, 2015-09-04 **Digital Media Primer Access Card** Yue-Ling Wong, 2012-03-01 **Digital Media Tools** Jenny Chapman, 2005
