**The Art of Spiritual Warfare** Frequency Revelator, 2019-11-16 Although we are living in a physical world there are spiritual battles that we are engaged in with demonic forces in the spirit world Every believer is engaged in a three front war against the devil the world system and his own flesh whether or not we are aware of it The battlefield is in the spirit realm yet the outcome of these spiritual battles have an effect on the destinies of people in the natural realm This battle takes place in the invisible spiritual realm where the stage is set and battle lines have already been drawn against us by demonic forces It is a battle waged against us by Satan and his diabolical cohorts of the dark world If you are to live a victorious life and prevail in these trying times in which we live it is imperative that you learn how to engage in spiritual warfare lest you fall prey to the whims and vagaries of the devil Sadly today there is near universal paucity in practice in understanding of matters of spiritual warfare as dozens of believers are still sailing their boats through shallow streams of spiritual understanding where spiritual warfare is concerned It is disheartening to note that dozens of believers seem to be inept at spiritual warfare for the most part and are deficient in understanding of spiritual weapons the Lord gave to the Church with which to fight our enemy Despite its significance in the Christendom today spiritual warfare is the very area where Christians have little understanding and a main reason why they don't achieve the desired results from the Lord is because they never engage the enemy in warfare It is for this reason that this publication has been brought into the limelight as a key weapon in the Body of Christ to unpack the divine revelations of strategic spiritual warfare This book does not just devise the stratagems Christians can use to fight against satanic forces but also unpacks the divine concept of strategic warfare A strategy is an intelligently formulated plan of action that is used to stay ahead of those who are competing against you It gives you an upper hand or competitive edge over your opponents Strategic warfare therefore implies understanding the art of warfare or how to fight battles in the spirit realm against satanic forces and influences It connotes to how to fight battles in the spirit realm against satanic forces and influences and how to cast out demons either from the bodies of their victims or

from the environment in your sphere of contact The truth is that winning the battle is not an outcome of physical muscles or disposition of weapons but an art This means that it requires a strategic thinking and spiritual intelligence to successfully engineer and won battles in the spirit realm In this publication Apostle Frequency Revelator therefore unpacks the divine revelation that Spiritual warfare is an art that involves developing an understanding of who your enemy is how he operates what strategies he uses to fight against you what his warfare base or strongholds are and what his strengths weaknesses opportunities and threats are At a broader length it incorporates a wide spectrum of spiritual acts such as understanding the spirit realm in which the devil operates how to manoeuvre and navigate your way in the spirit world how to cast out demons how to obtain a legal precedent against the accuser the devil before the High Court of Heaven as well as how to plead cases accusations and petitions lodged against believers before the Courts of Heaven At a strategic level spiritual warfare involves undertaking such strategic acts as taking over new territories for Jesus reclaiming territories that have been taken over by enemy through the paradigm of ignorance as well as strategically occupying political financial media and all other territories that are deemed critical in the proliferation of the Gospel This is what God expect you to do as a heavily armed warrior in His kingdom Spiritual Warfare Mary Donna Hankla,2023-12-23 Are you tired of struggling against unseen forces Do you feel like the enemy always has the upper hand If you want to turn the tide of spiritual warfare in your life look no further This book holds the key to your victory It is an inspiring read that uncovers powerful secrets for triumph in your spiritual life giving you hope courage and purpose Through personal experiences biblical wisdom and the beauty of nature Mary Donna Hankla reveals prayer strategies that will truly transform lives shape futures and strengthen the church Just as a single play can shift the momentum of a game heartfelt prayers have the incredible power to transform your spiritual journey So if you are weary hurting and overwhelmed fear not This book will introduce you to a wellspring of strength and joy It will lead you to the rivers of life healing revelation and knowledge providing spiritual refreshment and restoration Prepare yourself to shift the tide in spiritual warfare and revolutionize your journey Remember lives futures and the church itself depend on it
