One for Sorrow, Two for Joy Marie-Claire Amuah, 2022-08-18 Winner of the Diverse Book Award 2023 I loved this book so much Intense and beautiful and heartbreaking Buki Papillon author of *An Ordinary Wonder* It s hard to plan your future when the ghosts of the past won t leave you alone Stella tries very hard to be good She tries not to be sassy to answer back to be noticed Because when Stella s father is angry it s like lightning and thunder and hailstones Years later Stella has left her troubled childhood behind and appears to have it all a degree a demanding job as a barrister and a group of friends who always have her back But underneath the surface she is haunted by her past It will take all her grace courage and love to heal her wounds and break free Set against a backdrop of London and Ghana Marie Claire Amuah s remarkable debut is an unforgettable exploration of intergenerational trauma Brimming with compassion *One for Sorrow Two for Joy* offers both a sensitive portrayal of the ripple effects of domestic violence and a defiant story of friendship resilience and hope *Children of Paradise* Camilla Grudova, 2022-07-07 When Holly applies for a job at the Paradise one of the city s oldest cinemas squashed into the ground floor of a block of flats she thinks it will be like any other shift work She cleans toilets sweeps popcorn avoids the belligerent old owner Iris and is ignored by her aloof but tight knit colleagues who seem as much a part of the building as its fraying carpets and endless dirt Dreadful lonely weeks pass while she longs for their approval a silent voyeur So when she finally gains the trust of this cryptic band of oddballs Holly transforms from silent drudge to rebellious insider and gradually she too becomes part of the Paradise unearthing its secrets learning its history and haunting its corridors after hours with the other ushers It is no surprise when violence strikes tempers change and the group eyes still affixed to the screen starts to rapidly go awry *The Great Reset* Marc Morano, 2022-08-30 Here is the antidote to the left s sinister push to use a worldwide crisis to infuse our lives with the values of colossal statism and dystopian self hatred all accelerated by the duplicitous manipulation of the recent pandemic From the nationally best selling author of *The Politically Incorrect Guide to Climate Change* *Welcome to 2030* I own nothing have no privacy and life has never been better This is the vision of the Great Reset according to globalist leaders While proponents of the Great Reset push slogans like Build Back Better The Fourth Industrial Revolution and A New Normal the Reset is nothing short of a rebranded Soviet system threatening to strip away property rights restrict freedom of movement and association and radically reshape our diets and way of life In *The Great Reset* Global Elites and the Permanent Lockdown bestselling author and ClimateDepot.com publisher Marc Morano unveils the origins of the Great Reset who is behind it how it is being implemented and how COVID 19 and the alleged climate emergency accelerated its imposition on the United States Packed with telling statistics and damning quotes *The Great Reset* is the essential handbook for the public the media and activists on how to critically analyze and expose the tyrannical policies silently strangling our liberties today *Love For All Seasons* D.A. Henneman, 2021-02-12 A Greek mythology retelling about how Hades and Persephone REALLY met The seasons aren t cooperating and Hecate s rosemary

supply is dwindling She needs a solution for growing her crops or her spells just won't be the same Hermes is willing to help but it comes with a price the least of which is the two of them dabbling in the love life of Hades the God of the Underworld In addition to setting Hades up on a blind date Hermes demands Hecate spend 24 hours alone with him That isn't what concerns her the most since she has added stipulations of her own But the trickster has made it clear that he won't settle for anything less than her heart Is Hecate ready to pay the price

Stigma Doctor Imogen Tyler, 2020-04-15 Stigma is a corrosive social force by which individuals and communities throughout history have been systematically dehumanised scapegoated and oppressed From the literal stigmatizing tattooing of criminals in ancient Greece to modern day discrimination against Muslims refugees and the undeserving poor stigma has long been a means of

securing the interests of powerful elites In this radical reconceptualisation Tyler precisely and passionately outlines the political function of stigma as an instrument of state coercion Through an original social and economic reframing of the history of stigma Tyler reveals stigma as a political practice illuminating previously forgotten histories of resistance against stigmatization boldly arguing that these histories provide invaluable insights for understanding the rise of authoritarian forms of government today
