A Theology of Hope Sang Yun Lee,2019-01-03 Lee advocates a theology of hope essentially different from the Moltmann version on which the idea is developed Lee shows how Cho s message particularly in its promise of a saved healthy happy and prosperous life the Threefold Blessing was the antidote to the events that had ravaged the Korean peninsula in the 1950s At the same time Asian Pentecostal scholars might also need a greater appreciation for both the diversity and richness of their cultural and religious past They have found both culturally and biblically acceptable alternatives to and adaptations from the practices of their ancient religions and are seeking to provide answers to the needs of their own context Allan H Anderson University of Birmingham England From the Foreword

The Simplicity of Living by Faith David Corbin,2013-11-29 Our God is a God of faith and it takes faith to please Him It is easy to have faith in the little things and many Christians exercise their faith by what they can see hear and or feel but omit to realise that God revealed Himself through Jesus and set Jesus before us as the One to whom we must entrust ourselves for salvation This Christian book explains what faith is and elaborates on how we are to mature our faith through a relationship with Jesus in order to experience God at work in our lives This book explains through examples how we as Christians are to walk by faith and not be dependent on our feelings or circumstances by realising that faith is simply the hand that takes from the hand of God

65 Plus, Is My Ministry Over? Harris Lidstrand,2004-08 65 plus has been born out of a burden for ministers primarily and all Christian workers collectively who have reached their golden years of service to the Lord Too often the attitude is that they are no longer useful in the Kingdom of God just because of age when actually the age of wisdom to which they have excelled can be put to very profitable use in all of the churches of America Industry has found this to be true and I believe the time has come for a voice to be heard in favor of using this tremendous resource in todays religious community It does not matter the denominational affiliation The value of the years of experience in serving mankind with love and compassion transcends all barriers that once were so important to our value system God looks at the big picture In the last ten to twenty years most denominations have learned the power of unity and have joined ecumenical venues to spread the gospel in the fastest way possible to the ends of the earth thus fulfilling the great commission of our Lord in our generation
