

The background of the book cover is a photograph of a person in a dark, possibly black, robe standing in the center of a dark, arched tunnel. The person is facing away from the camera, looking towards a bright, glowing light at the end of the tunnel. The light creates a strong lens flare and illuminates the person's robe. The tunnel walls are made of stone or brick, and the floor is also visible. The overall mood is mysterious and hopeful.

The Case for Miracles Lee Strobel, 2018-03-27 New York Times bestselling author Lee Strobel trains his investigative sights on the hot button question is it really credible to believe God intervenes supernaturally in people's lives today This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections Along the way he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think What's more Strobel delves into the most controversial question of all what about miracles that don't happen If God can intervene in the world why doesn't he do it more often to relieve suffering Many American Christians are embarrassed by the supernatural not wanting to look odd or extreme to their neighbors Yet The Case for Miracles shows not only that the miraculous is possible but that God still does intervene in our world in awe inspiring ways Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today Also available The Case for Miracles Spanish edition kids edition and student edition

THE GUIDE TO ANSWERING ISLAM Daniel Janosik, 2019-01-26 The average Christian knows somewhat how dangerous radical Islam is because of the regular media coverage of beheadings of Christians Jews and even young little children not to mention Muslims with which they disagree However the average Christian does not know their true beliefs just how many there are to the extent they will go to carry out these beliefs Daily we find Islamic commentators on the TV and radio offering up misleading information quoting certain portions of the Quran while leaving other parts out When considering Islamic beliefs other Islamic writings must be considered like the Hadith or Sunnah and the Shariah or canon law While Islam in general does not support radical Islam the vast majority do support radical beliefs For example beheadings stoning for adultery or homosexuality suicide bombings turning the world into an Islamic state and far too many other heinous things **THE GUIDE TO ANSWERING ISLAM** provides Christians with an overview of Islamic terminology The reader will learn about Muhammad s calling the history of the Quran how Islam expanded the death of Muhammad and the splinter groups that followed In addition the three sources of their teaching six pillars of belief five pillars of Islam the twelfth Imam and much more will be discussed While there are several books on Islam and radical Islam this will be the first that will prepare its readers to communicate effectively with Muslims in an effort toward sharing biblical truths **THE GUIDE TO ISLAM** will be an effective evangelism tool In addition each chapter will end with review questions helping the reader recall the main points of the chapter Therefore it can be studied alone or in a church Bible study setting **THE GUIDE TO ANSWERING ISLAM** has the contents constructed in a way that will greatly serve the Christian Church There are many recent books written by Christians about Islam and there are many books written recently about radical Islam However none of these recent books attempts to do what has been done which is to give an adequate portrayal of Islam critiqued by history and Christian doctrine and then culminating in an extensive evaluation of the rise of Radical Islam from a Christian s perspective

Trading Gods Brian Causey, 2021-01-05 A man recounts his investigation into spirituality and into what he really believed about religion following the September 11th terrorist attacks Suddenly Brian Causey found himself stumbling over life s greatest questions Why are we here How did the universe and life begin Why is there suffering in the world What happens after we die If there is an afterlife how do I get there A portfolio manager at a large investment company Brian would leave the trading floor each day with these questions swirling in his head What he came to realize was that he had to make a decision would he trade the god he had been following under which he could make his own rules without subscribing to any larger organization or authority for the real God The more he researched the difficult questions of life the clearer God s truth became Brian ultimately concluded that the evidence points in the direction of God s existence In Trading Gods he shares his personal journey rationale for faith and the supporting research that explains why the real God is the best answer to life s biggest questions We all serve gods of one sort or another in our life Brian s story of being a trader who after the tragedy of 9 11 found his way to the true God of Scripture is both illuminating and inspiring Justin Brierley editor at Premier Christianity and host of the Unbelievable radio show and podcast For both Christian and non Christian alike I encourage you to take this journey with Brian You won t regret it Nate Sala president A Clear Lens

mankind is based on blood Learn why this is a vital key for daily living Without the atoning blood of Jesus sinful man is separated from God Believers are redeemed by the power of the blood of Jesus which Christ himself has placed on the mercy seat in heaven Christians obtain righteousness and power over sin by the blood of Jesus by the merit of that blood which he offered up as an atoning sacrifice Christ's blood brings us into fellowship with God But now in Christ Jesus you who once were far away have been brought near through the blood of Christ Ephesians 2:13 The ability to enter God's presence is founded upon the blood of Jesus and his high priestly ministry Jesus says in John 14:6 I am the way the truth and the life No one comes to the Father except through me Jesus the High Priest is the living way through whom we can draw near to God to honor and devote ourselves to him with diligence with all our heart and without selfish motives Believers must be aware they are dependent upon God's divine grace and should have no other purpose but to please him Learn how the sacrificial blood of God's very own Son Jesus Christ becomes the spiritual DNA of all who receive him as Lord and Savior You too can experience a victorious life in this challenging world and know you have eternal life **The Holy Land Key** Ray Bentley, 2014-02-18

Don't Just Read Prophecy Step into Its Fulfillment The study of prophecy inspires elaborate timelines and speculation about which world leader might rise to power in the last days But meanwhile it's far too easy to miss the significant prophetic signs contained in stories of biblical characters in God's creation and in the lives and actions of today's Israelis and Palestinians The Holy Land Key opens our eyes to little known aspects of prophecy including God's master plan revealed in the seven Feasts of the Lord The ingathering of God's people and the ways Israelis are hearing from God today Significant prophetic patterns discovered in the lunar cycle Awe inspiring testimonies to God's glory spelled out in the night sky Glimpses of God's future kingdom revealed in the stories of well known figures from Scripture For decades author and pastor Ray Bentley has partnered with God's people in Israel including Judea and Samaria the area known as the West Bank There he witnesses the fulfillment of prophecy firsthand This is your introduction to prophetic signs that God reveals in sometimes unexpected ways He does not want us to miss the work he is doing to usher in the coming Kingdom **God Hasn't Forgotten You** Robert J.

Morgan, 2025-09-09 Through the story of Zechariah and Elizabeth we are reminded that God remembers us and keeps His promises Robert Morgan dives deep into Scripture around the birth of the Messiah and helps us discover the glorious victorious life that awaits us in Christ The story of Zechariah and Elizabeth is often overlooked in the story of Christmas as people jump right to Luke chapter 2 glossing over the importance of this elderly couple's story The angel Gabriel announced to them that they would bear a son John who would prepare the way for the Lord Jesus They were the original heroes faithfully serving the Lord and studying His Hebrew Scriptures every day when God burst into their lives and gave them the opportunity to set into motion the events triggering the first coming of Christ God has been planning something special for you for a long time Maybe it feels as long as those 400 years between the Old and New Testaments and you've grown weary of waiting for a Word from the Lord Are you discouraged Have you given up hope As you examine closely the amazing story

in Luke chapter 1 you will discover 24 God lessons that will impact your life including how God appointed you for this very time God works grace into your grief God wants to use you whatever your age God can eradicate fear from your heart and God desire your help in raising up a new generation to serve him God intends to give you Spirit filled life and a Christ centered victory He intends to use your preordained personality for His preordered purposes Zechariah and Elizabeth want to tell us that God delights in sneaking up on His children with blessings unforeseen with grace from above so that we can experience a glorious victorious life through Jesus

Religious Experience and the Knowledge of God Harold A.

Netland,2022-02-08 For many Christians personal experiences of God provide an important ground or justification for accepting the truth of the gospel But we are sometimes mistaken about our experiences and followers of other religions also provide impressive testimonies to support their religious beliefs This book explores from a philosophical and theological perspective the viability of divine encounters as support for belief in God arguing that some religious experiences can be accepted as genuine experiences of God and can provide evidence for Christian beliefs
