Detail in Contemporary Landscape Architecture Virginia McLeod, 2008-04-02

Detailing makes a landscape unique and a landscape architect outstanding. Featuring many of the world's most highly acclaimed landscape architects, the book presents 40 of the most recently completed and influential landscape designs. Each project is presented with color photographs, site plans, and sections, as well as numerous construction details. There is also a brief descriptive text, detailed captions, and in-depth information for each project. The projects are presented in clear and concise layouts over four pages. All the drawings are specially commissioned, styled in a consistent manner, and presented at standard architectural scales for easy comparison. Intended for architects, engineers, and landscape architects, the book will also be invaluable for architecture, garden, and landscape design students for whom it will be a resource not only for understanding the work of the best contemporary landscape architects but also as a tool for their own design work. *Aesthetic and Functional Values in Landscape Design* Brian Hackett, 1990
