The Sum of All Things Thomas Edmund Bottomley ,2018-05-12 Good gravy Not only is washed up minor league phenom Elmer Mulroy out in the very worst way he s still breezing around the same old no tell The one a way out where the high desert takes over and even Vegas s blazing outskirts fade to black The one where not even a naked showgirl and a pile of blow can kill the bitter taste of a shipwrecked dream And we re not talking to a degree no we re talking every last staggering iota of him As and sensible dust to duster might say talk about going from bad to worse Why it s gotten so a guy can t depend on anything anymore resting in peace included There s only one way to sort it all out now though nothing less than a pell mell odyssey through a pretty darned checkered career if not human history itself And that s without even mentioning all the real deadbeats a pretty irked spook is all but bound to bump into when it comes to strapping on the old snowshoes and embarking on anything that drastic
