Becoming Steve Jobs Brent Schlender, Rick Tetzeli, 2015-03-24 THE SUNDAY TIMES AND 1 INTERNATIONAL BESTSELLER with a new foreword by Silicon Valley legend Marc Andreessen For my money a better book about Jobs than Walter Isaacson s biography New Yorker A fascinating reinterpretation of the Steve Jobs story Sunday Times We all think we know who Steve Jobs was what made him tick and what made him succeed Yet the single most important question about him has never been answered The young impulsive egotistical genius was ousted in the mid 80s from the company he founded exiled from his own kingdom and cast into the wilderness Yet he returned a decade later to transform the ailing Apple into the most successful company the world had ever seen How did this reckless upstart transform himself into a visionary business leader The first comprehensive study of Jobs career following his dismissal from Apple written with unparalleled access and insight BECOMING STEVE JOBS offers a startling new portrait of the most important business figure in modern history The most intimate biography yet of Jobs written by the journalist who knew him better than any other BECOMING STEVE JOBS draws on recently discovered interviews that have never before seen the light of day and answers for the first time the most pressing questions about what made this legendary business leader such a success

The Carrot and the Stick William Putsis, 2020-02-03 In today s business environment companies that find and win points of strategic control are those that win This book is about not only how to spot them but how to control them and extend them to multiple market opportunities

Life in the Digital Bubble Tamer Badawy, 2025-09-14 What if the most powerful force in your life was something you use daily but can t see We live in a world where technology surrounds us at every moment Your digital world is always with you from the moment you wake up to the glow of your screen until the late night scrolls before sleep It feels like convenience But what if it s quietly something else Life in the Digital Bubble takes you deep into the hidden systems that influence your thoughts emotions decisions and even your future This is not science fiction It is your daily life made up of invisible layers of control powered by smartphones artificial intelligence algorithms social media augmented reality and workplace automation This book explains what is happening and what is coming next in clear relatable terms for readers who care about the future but don t speak in code You will explore how these technologies shape not just individual lives but also families workplaces and societies Inside this book you will discover How smartphones and

social platforms have become behavior shaping machines Why AI assistants and productivity tools are quietly watching learning and influencing you What augmented reality and wearable tech are already doing to the way we move through the world How children are growing up in environments where identity and connection are filtered through screens What everyday life might look like in 2035 and how it could radically change again by 2055 Twelve core strategies and thirty three practical tips to help individuals families and communities live well in a hyperconnected age Tamer Badawy brings over 25 years of experience in digital transformation working with governments corporations and leaders across the globe This book reflects a deep understanding of how systems work and a deep concern for how they affect people It offers a fresh human centered perspective on the digital future Whether you are a parent worried about screen time a professional navigating AI at work or someone who simply wants to feel more present and less overwhelmed this book offers insight tools and hope This is not a book about rejecting technology It is a guide for using it with wisdom clarity and purpose *Beyond Eureka!*

Marylene Delbourg-Delphis, 2024-06-03 A radical new perspective on innovation to help aspiring entrepreneurs avoid common pitfalls One of the biggest problems faced by entrepreneurs and corporate executives alike is the conflation of entrepreneurship with innovation The quest for innovation is often misguided by a variety of mantras clichés and proclamations often infused with notions of disruption and delusions of grandeur *Beyond Eureka* debunks the myths and conventional wisdom surrounding innovation revealing its complex non linear nature and identifying ways to avoid common pitfalls Serial entrepreneur Delbourg Delphis first defines innovation as the implementation of something new that is developed for and commercialized in a marketplace She uses various case studies both smaller scale and well known to unpack the common misconceptions surrounding innovation and guide entrepreneurs through the uncertainty of innovating in a potential market rather than a pre existing one *Beyond Eureka* brings a new perspective to understanding the nature and practice of innovation based on the author's extensive experience historical knowledge and conceptual analysis Innovators whether entrepreneurs or the strategic leadership teams of established companies will benefit from the insights and guidance **Asian Video Cultures** Joshua Neves, Bhaskar Sarkar, 2017-11-16 The contributors to this volume theorize Asian video cultures in the context of social movements market economies and local popular cultures to complicate notions of the Asian experience of global media Whether discussing video platforms in Japan and Indonesia K pop reception videos amateur music videos circulated via microSD cards in India or the censorship of Bollywood films in Nigeria the essays trace the myriad ways Asian video reshapes media politics and aesthetic practices While many influential commentators overlook denounce and trivialize Asian video the contributors here show how it belongs to the shifting core of contemporary global media thereby moving conversations about Asian media beyond static East West imaginaries residual Cold War mentalities triumphalist declarations about resurgent Asias and budding jingoisms In so doing they write Asia's vibrant media practices into the mainstream of global media and cultural theories while challenging and complicating hegemonic ideas about the
