Dry A Memoir:

Dry Augusten Burroughs, 2011-06-01 From the 1 New York Times bestselling author of *Running with Scissors* comes Augusten Burroughs's most provocative memoir. Outrageously funny and scorchingly honest. You may not know it but you've met Augusten Burroughs. You've seen him on the street in bars on the underground at restaurants a twenty something guy nice suit works in advertising. Regular Ordinary. But when the ordinary person had two drinks Augusten had twelve when the ordinary person went home at midnight Augusten never went home at all. At the request well it wasn't really a request of his employers Augusten lands in rehab where his dreams of group therapy with Robert Downey Jr are dashed by the grim reality of fluorescent lighting and paper hospital slippers. But when Augusten is forced to examine himself that's when he finds himself in the worst trouble of all. Because when his thirty days are up he has to return to his same drunken life and live it sober.

Dry Augusten Burroughs, 2013-04-23 The Tenth Anniversary Edition of the New York Times bestselling book that has sold over half a million copies in paperback. I was addicted to *Bewitched* as a kid. I worshipped Darren Stevens the First. When he'd come home from work and Samantha would say Darren would you like me to fix you a drink. He'd always rest his briefcase on the table below the mirror in the foyer wipe his forehead with a monogrammed handkerchief and say Better make it a double. From Chapter Two. You may not know it but you've met Augusten Burroughs. You've seen him on the street in bars on the subway at restaurants a twentysomething guy nice suit works in advertising. Regular Ordinary. But when the ordinary person had two drinks Augusten was circling the drain by having twelve when the ordinary person went home at midnight Augusten never went home at all. Loud distracting ties automated wake up calls and cologne on the tongue could only hide so much for so long. At the request well it wasn't really a request of his employers Augusten lands in rehab where his dreams of group therapy with Robert Downey Jr are immediately dashed by grim reality of fluorescent lighting and paper hospital slippers. But when Augusten is forced to examine himself something actually starts to click and that's when he finds himself in the worst trouble of all. Because when his thirty days are up he has to return to his same drunken Manhattan life and live it sober. What follows is a memoir that's as moving as it is funny as heartbreaking as it is true. *Dry* is the story of love loss and Starbucks as a Higher Power.

Serial Memoir N. Stamant, 2014-06-23 *Serial Memoir* chronicles the phenomenon of seriality in memoir a transition in life writing toward repeated acts of self representation in the later twentieth century. Such a shift demonstrates a new way to understand and represent constantly shifting subjectivities and their ambivalent relationship to the concept and structure of the archive.

Dry Augusten Burroughs, 2003 From the bestselling author of *Running with Scissors* comes *Dry* the hilarious moving and no less bizarre account of what happened next. You may not know it but you've met Augusten Burroughs. You've seen him on the street in bars on the subway at restaurants a twenty something guy nice suit works in advertising. Regular Ordinary. But when the ordinary person had to drinks Augusten was circling the drain by having twelve when the ordinary person went home at midnight Augusten never went home at all. Loud distracting
