Durkheim and Foucault Mark Sydney Cladis, 1999 Education and punishment are two crucial sites of the disciplinary society approached by Durkheim and Foucault from different perspectives but also in a shared concern with what kind of society might constitute an emancipatory alternative This collection of essays explores the issues that are involved and that are illuminated through a comparison and contrast of two social theorists who at first sight might seem an unlikely couple Durkheim and Foucault **Foucault and Education** Stephen J. Ball, 2013-05-13 First published in 1990 this book was the first to explore Foucault's work in relation to education arguing that schools like prisons and asylums are institutions of moral and social regulation complex technologies of disciplinary control where power and knowledge are crucial Original and challenging the essays assess the relevance of Foucault's work to educational practice and show how the application of Foucauldian analysis to education enables us to see the politics of educational reform in a new light
