Dwight Pentecost Things To Come :

Things to Come J. Dwight Pentecost, 2010-05-11 A comprehensive and accessible study of eschatology for anyone interested in the important subject of biblical prophecy The Bible and its revelation about Jesus Christ's return is the one source of hope and confidence for the future in these dark days Approximately one fourth of the Bible was prophetic at the time it was written meaning that a greater body of Scripture is devoted to the unfolding of God's plan than any other one subject God the architect of the ages has seen fit to take us into His confidence concerning His great design But until Things To Come was published the treatment of biblical prophecy had been mainly either apologetic or expository with prophetic themes being developed individually apart from their relation to the whole revealed prophetic program This methodology produces fragmentary and unrelated knowledge of the subject In this monumental classic Dr Dwight Pentecost has synthesized the whole field of prophecy into a unified biblical doctrine a systematic and complete biblical eschatology He deftly handles many controversial topics including a detailed presentation of premillennial eschatology With nearly a quarter of a million copies sold Things to Come has earned its place in the library of the pastor the scholar and the seminarian or Bible institute student Dictionary of Premillennial Theology Mal Couch, 1996 More than 50 scholars combine their expertise to present a historical and topical dictionary of premillennial theology *BIBLICAL EVIDENCE OF A PRE-TRIBULATION RAPTURE* Stephen Nielsen, 2017-10-25 Many regard the idea of a pre Tribulation rapture as an escape for cowardly Christians who wish to escape not only the coming Tribulation but the present trials and responsibilities of life This book will help to dispel that idea as the reader will see clear biblical evidence of a pre Tribulation rapture This evidence is God's design to bring us comfort and encouragement in these last days This study in four parts thoroughly investigates the subject of the rapture Part one lays out the groundwork for the rapture in which we focus mainly on a study of Daniel 9 Part two is a short study of the kingdom of God so the reader can better see the significance of the rapture In part three we inspect each reference to His coming and show whether it refers to the rapture or to His glorious appearing In the last section our scope of study is narrowed to showing why the rapture must come before the Tribulation I highly recommend this book to you if you have any doubts about the rapture **The Harvest Handbook of Bible Prophecy** Ed Hindson, Mark Hitchcock, Tim LaHaye, 2020-05-12 Everything You Need to Know About the Last Days at Your Fingertips The Harvest Handbook™ of Bible Prophecy is a reference resource that provides a comprehensive overview of everything the Bible says about the last days Compiled by bestselling prophecy teachers Ed Hindson Mark Hitchcock and Tim LaHaye this volume has 150 topics on the most important subjects of prophetic study from 40 of world's foremost prophecy experts including Armageddon the Day of the Lord eternal life the glorious appearing the messianic kingdom the millennium rewards and the Tribulation You will gain clear and useful insights about the future in this A to Z handbook which is written to provide thousands of Bible based facts about the end times and beyond a chronology of the last days from a pretribulational

A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **Discontinuity to Continuity** Benjamin L. Merkle,2020-06-03 What is the best framework for reading the Bible The question of how to relate the Old and New Testaments is as old as the

Bible itself While most Protestants are unified on the foundations there are major disagreements on particular issues Who should be baptized Is the Christian obligated to obey the Law of Moses Does the church supplant Israel Who are the proper recipients of God's promises to Israel In *Discontinuity to Continuity* Benjamin Merkle brings light to the debates between dispensational and covenantal theological systems Merkle identifies how Christians have attempted to relate the Testaments placing viewpoints along a spectrum of discontinuity to continuity Each system's concerns are sympathetically summarized and critically evaluated Through his careful exposition of these frameworks Merkle helps the reader understand the key issues in the debate Providing more light than heat Merkle's book will help all readers better appreciate other perspectives and articulate their own

God's Sands of Time Dr. Mervil R. Stambaugh, 2021-05-07 god's sands of time begins by identifying the involvement of dispensations in the texts of the Bible It also defines the term dispensation as well as what is involved in determining what constitutes a given dispensation In order to understand the beginning of dispensations this book will examine the matter of the biblical account of the creation and the origin of man Another area that is considered is environmental involvement due to the ending judgment at the close of each dispensation In that the pre-given factors determine the opening and closing of a dispensation the author concludes that there are seven in number Thus each dispensation is evaluated in light of the biblical information given from Genesis to Revelation In looking at the first five dispensations along with most of the way through the sixth it is evident that the history of mankind is revealed in Scripture as God has been at work with man through the ages The reader will also discover that the last two dispensations have much to reveal from Scripture concerning the happenings of the current unrest in the world and God's plan for the conclusion of this present heavens and earth There is also information regarding the new heavens and new earth that is to be made that will last forever and will be righteous forever The understanding of God's plan through the ages will bring comfort as we see that indeed God is in control and has been all along

Systematic Theology, Volume 2, Second Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to

the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

The Day of the Lord, the Key to Understanding End-Time Prophecy Allen M. Barber, 2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy

means to live with an eternal perspective Written with attention to biblical details Christ minded wisdom and a gracious compassion for our all too human tendency to be absorbed with the here and now Future Glory will take you on an incredible journey into your prophetic future and the everlasting destiny God has prepared for you *The Covenantal Kingdom* Ralph Smith,1996 **The Pentecostal Commentary** Billy M. Prewitt,2021-09-04 A Trinitarian Exposition of the New Testament This series is designed with the serious Trinitarian Pentecostal student in mind With a foundational commitment to the inspiration and infallibility of Scripture each passage is explained in terms of its theological and practical significance In addition The distinctive Pentecostal pneumatology is sustained Key doctrines are identified and expounded Important cross references within Scripture are noted Historical connections in Church history are mentioned Erroneous teachings are scrutinized Comments are based on the King James Version The KJV text is printed in the body of the commentary With a modern style of readability this commentary series is appropriate for anyone seeking to grow and understand the truths of Scripture and is especially helpful to pastors as well as college and seminary students Author s Foreward As a Pentecostal student attending a Pentecostal Bible college I went to the college bookstore to purchase my textbooks without knowing that the commentaries on my book list were written by non Pentecostals Even though my classes required commentaries from various publishers none of the publishers were Pentecostal I often wondered why a Pentecostal Bible school would use non Pentecostal commentaries for class What I did not know at the time was that there really was no such thing as a Pentecostal commentary written for and by Pentecostals Since then there have been a few Pentecostals who have written on individual books but there are significant portions of even the New Testament that have had little or no Pentecostal voice As a result serious Pentecostal students have no other choice but to learn at the feet of non Pentecostals I am not opposed to non Pentecostal commentaries Indeed I have gained considerable insights from reading such but there are two points of theology that I must consciously filter out every time I read them The most important concern to a Pentecostal is that the pneumatology the study of the Holy Spirit presented by non Pentecostals is very different than that of a Pentecostal The second point is the emphasis on Calvinistic doctrines especially eternal security with which most Pentecostals do not agree In addition there are other theological differences and substantially different hermeneutical principals that can dramatically alter the interpretation of texts in non Pentecostal ways In my studies I have always desired to have a commentary that was thoroughly Pentecostal but I never imagined that I would write one From one Pentecostal to another I hope you will find this series to be a breath of fresh Spirit anointed air Series Preface While it is hoped that Bible students from other theological traditions will study and benefit from its contents it is first and foremost Pentecostal As such this commentary does not include surveys of other viewpoints unless such inclusion is necessary for clarity of argument In addition with all due respect to our Charismatic brethren it may be said that this series is not meant to be inclusive of Charismatic interpretations related to pneumatology The Pentecostal Commentary series intentionally excludes views of Scripture that do not hold to its

inspiration inerrancy and infallibility and also excludes modern liberal arguments of authorship date purpose and so on Traditional viewpoints on these subjects will be discussed without confusing the issue In addition 19th century criticism methods and concerns over source documents will not often be discussed In other words this series assumes that the Biblical text is as God wants it to be and that it was written by the person and at the time traditionally ascribed
