This is an old Atari ST game by FTL software from 1985. It's primitive and at the same time has some neat features I've not really seen before. Thank you Logan for making this. Those parking lots are the only safe place to park your car-pod. Especially if you have stuff stored in it, the pod will get broken into. We now leave planet Ferr, on our way to the other two planets in the system, Ferrwerk and Snowball, in an attempt to find one of them. We resume immediately following the last episode, exploring the cities of planet New Shoot in search of a cryogen and better gold. After selling off the rest of the scatterguns off camera, I
