Edwards, 2010-02-02 Canadians have always been obsessed with the idea of their own identities Stories that tell us who we are provide a reassuring sense of identity for the individual and the nation Hockey Maple Leaves Beavers But collective stories tend to be haunted by a fear that a shared narrative might be nothing more than an elaborate artifice This fear has long been a source of gothic inspiration for Canadian writers A haunted Canadian self returns again and again Polite Friendly Not American With examples of gothic discourse from Canadian fiction autobiography film poetry and drama Justin Edwards analyzes the ghost at the heart of the nation A major contribution to cultural and literary studies Gothic Canada unearths two centuries of Canadian gothic writings to reveal uncanny traditions of trauma repression and monstrosity The Europa Directory of Literary Awards and Prizes Europa, 2015 *Canada's Storytellers | Les grands écrivains du Canada* Andrew David Irvine, 2021-03-24 For over three quarters of a century the Governor General's Literary Awards have been awarded annually in a variety of evolving categories Fifteen Governors General have served as their patron The impressive list continues to grow apace between 1936 and 2018 the awards recognized 719 books in English and French and have been presented to 580 authors illustrators and translators This beautifully illustrated bilingual compendium presents the biographies of all 580 award laureates many accompanied by stunning archival portraits This is the final instalment in Andrew Irvine's remarkable and comprehensive research into what has become a touchstone of Canada's literary culture Together with Canada's Best and The Governor General's Literary Awards of Canada A Bibliography this work provides readers with a definitive overview of this literary prize By itself Canada's Storytellers is an invaluable reading companion for anyone wanting to be introduced to many of our most influential authors illustrators and translators working in both French and English over the past decades It belongs on the shelf of every enthusiast of Canadian literature Bilingual edition Prizing Literature Gillian Roberts, 2011-10-29 When Canadian authors win prestigious literary prizes from the Governor General's Literary Award to the Man Booker Prize they are celebrated not only for their achievements but also for contributing to this country's cultural capital Discussions about culture national identity and citizenship are particularly complicated when the honorees are immigrants like Michael Ondaatje Carol Shields or Rohinton Mistry Then there is the case of Yann Martel who is identified both as Canadian and as rootlessly cosmopolitan How have these writers' identities been recalibrated in order to claim them as representative Canadians Prizing Literature is the first extended study of contemporary award winning Canadian literature and the ways in which we celebrate its authors Gillian Roberts uses theories of hospitality to examine how prize winning authors are variously received and honoured depending on their citizenship and the extent to which they represent Canadianness Prizing Literature sheds light on popular and media understandings of what it means to be part of a multicultural nation Rethinking Who We Are Paul U. Angelini, 2020-07-10T00:00:00Z Rethinking Who We Are takes a non conventional approach to understanding human

difference in Canada Contributors to this volume critically re examine Canadian identity by rethinking who we are and what we are becoming by scrutinizing the totality of difference Included are analyses on the macro differences among Canadians such as the disparities produced from unequal treatment under Canadian law human rights legislation and health care Contributors also explore the diversities that are often treated in a non traditional manner on the bases of gender class sexuality disAbility and Indigeniety Finally the ways in which difference is treated in Canada s legal system literature and the media are explored with an aim to challenge existing orthodoxy and push readers to critically examine their beliefs and ideas particularly in an age where divisive racist and xenophobic politics and attitudes are resurfacing      *Nova Scotia, New Brunswick and Prince Edward Island For Dummies®* Andrew Hempstead, 2010-02-24 Make the most of your trip to Nova Scotia New Brunswick and Prince Edward Island The Canadian Maritimes combines beautiful scenery with warm hospitality like few other places do With this easy to follow guide you ll make sure you find everything worth seeing from Cape Breton s breathtaking Cabot Trail to lobster suppers in PEI and much more Discover Down to earth trip planning advice What you shouldn t miss and what you can skip The best hotels and restaurants for every budget Lots of detailed maps      **The Great Karoo** Fred Stenson, 2009-09-08 From award winning author Fred Stenson comes a richly evocative new novel at once brutal and tender spare of language and profoundly moving The Great Karoo begins in 1899 as the British are trying to wrest control of the riches of South Africa from the Boers the Dutch farmers who claimed the land The Boers have turned out to be more resilient than expected so the British have sent a call to arms to their colonies and an a great number of men from the Canadian prairies answer the call and join the Canadian Mounted Rifles a unit in which they can use their own beloved horses They assume their horses will be able to handle the desert terrain of the Great Karoo as readily as the plains of their homeland Frank Adams a cowboy from Pincher Creek joins the Rifles along with other young men from the ranches and towns nearby a mix of cowboys and mounted policeman who for whatever reason feel a desire to fight for the Empire in this far off war Against a landscape of extremes Frank forms intense bonds with Ovide Smith a French cowboy who proves to be a reluctant soldier and Jefferson Davis the nephew of a prominent Blood Indian chief who is determined to prove himself in a white man s war As the young Canadians engage in battle with an entrenched and wily enemy they are forced to realize the bounds of their own loyalty and courage and confront the arrogance and indifference of those who have led them into conflict For Frank disillusionment comes quickly and his allegiance to those from the Distict of Alberta soon displaces any sense of patriotism to Canada or Britain or belief that he s fighting for a just cause The events of the novel follow the trajectory of the war The British strategy of burning Boer farms destroying herds and moving Boer families into camps weakens the Boer rebels but they refuse to give up The thousands of Boer women and children who die in the camp make the war ever more unpopular among liberals in Britain In fact this conflict marked the first use of the term concentration camp in war Seeing the ramifications of such short sighted military decisions and how they affect what happens to Frank and the other Canadians

is crucial to depicting the reality of the Boer War By focusing on the experiences of a small group of men from southern Alberta Fred Stenson brings the reality of what it would have been like to be a soldier in this brutal war to vivid life The Great Karoo is a deeply satisfying novel marked by the complexities of its plot the subtleties of its relationships and the scale of its terrain Exhilarating and gruesome by turns it explores with passion and insight the lasting warmth of friendship and the legacy of devastation occasioned by war
