*The Media of Mass Communication* John Vivian, 2001 Designed for courses in introduction to mass communication introduction to mass media and media and society In this updated online edition John Vivian provides a cost effective and accessible version of the original text taking the phrase using the media to teach the media literally with an extensive PIN coded web site While the printed book is the core content the web site provides the energy and excitement of the media There is up to date coverage of industries and issues along with a thoughtful recounting of key events in media history to give students the insight they need to understand the complexity and impact of the media in the 21st century

**The Media of Mass Communication** John Vivian, 2006 *The Media of Mass Communication* John Vivian, 2006 This up to date reader friendly presentation of the mass media helps instructors use the media to teach the media and explore its excitement complexity and impact on our lives Widely praised for his ability to make learning interesting Vivian excites students as they explore the ever changing subject of mass communication This updated edition retains the emphasis on the challenges of today s media while building on its extensive coverage of media history effects and culture The coverage of media literacy an underlying theme since the first edition has been enhanced with a new feature The three part organization the media media messages and media issues has been strengthened by the addition of a totally new chapter on entertainment to balance the coverage of other types of media messages New and Notable Features Updated content includes coverage of the 2004 presidential election recent changes in the national radio scene new newspaper products the emergence of blogging and the gangsta lit genre New chapter opening vignettes now include Rupert Murdoch Howard Stern and Jerry Bruckheimer A new chapter Entertainment in the Mass Messages section explains how entertainment is an integral part of today s mass messages conveyed through all the mass media A new feature Sharpening Your Media Skills provides critical thinking questions to encourage students to analyze media issues to help broaden their understanding of media literacy The text and photo program has been thoroughly updated with the latest examples and information on media trends challenges concepts personalities and issues Praise for *The Media of Mass Communication* This is one of the best mass communication text books ever published I am impressed by the focus on history comprehensive coverage of key terms models issues and trends And I also enjoy the visual dimension of this textbook It is readable for students who don t enjoy reading Reed Markham Salt Lake Community College This text s biggest strength continues to be its culture orientated approach to mass media The writing is clear and lively The many short features boxes work well with students The visual images are current even the pedagogy is excellent Linda J Lumsden Western Kentucky University Vivian s *Media of Mass Communication* is a solid textbook It is current thorough accurate and well written It covers the essential topics in a readable style I have used Vivian in the past and will continue to do so in the future Timothy Boudreau Central Michigan University

*Mass Media* James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting

people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes      **Media of Mass Communication. 11th Ed ,**
