40 Questions About the Historical Jesus C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels **The Seven Feasts of Israel and the Messiah** Ronald Jean, 2014-03-11

Scene by scene we are surrounded by the theatrics of the passion The panorama begins as Israel performs her seven solemn ritualistic feasts pointing to the downfall of the walls of her spiritual captivity The messianic application to Israel's memorial feasts is central to her preparation to enjoy her long awaited eternal freedom As this theme remains the central focus it is followed by the redemption of the world as revealed through these feasts So beautifully illustrated in the Tenach the Jewish Bible is how the Messiah was predicted by these feasts to be the Savior of the world In retrospect reliving scenes through the narrative you will discover hidden truth underneath the surface of Israel's celebrations Discover the purposes of the different Sabbaths given to Israel and how each points to a unique aspect of either creation or redemption Here you have it from many years of lectures discussions and devoted contemplation on the passion of the Christ is brought to you from a unique and inspirational perspective God's message to His called and chosen people Many mysteries and controversies with regard to Christ's week of passion are brought to the surface and addressed Harmony of the four Gospels addressing days and times of each event is clearly mapped How you can as an individual or as a body of believers apply these lessons from a Christian or Messianic perspective is clearly revealed Understanding internalizing and applying God's Word should be the object of every Bible study

Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death

Gabriel Ansley,2010 Let me ask you a question you probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride
