Young Adult and Canonical Literature Paula Greathouse, Victor Malo-Juvera, 2021-03-10 In the last decade alone the world has changed in seismic ways as marriage equality has been ruled on by the supreme court social justice issues such as metoo and BlackLivesMatter have arisen and issues of immigration and deportation have come to the forefront of politics across the globe Thus there is a need for an updated text that shares strategies for combining canonical and young adult literature that reflects the changes society has and continues to experience The purpose of our collection is to offer secondary 6-12 teachers engaging ideas and approaches for pairing young adult and canonical novels to provide unique examinations of topics that teaching either text in isolation could not afford Our collection does not center canonical texts and most chapters show how both texts complement each other rather than the young adult text being only an extension of the canonical Within each volume the chapters are organized chronologically according to the publication date of the canonical text The pairings offered in this collection allow for comparisons in some cases for extensions in others and for critique in all

but hey you are not there yet You are here and now Take the cue from Lord Buddha Do not dwell in the past do not dream of the future concentrate the mind on the present moment So why waste your life when you can achieve whatever you want and gravitate towards success It does not matter where you were born or in what circumstances that you were born It does not matter whether you are physically challenged owing to some birth defect or through accident The human spirit is indomitable You can live your life in whatever way you want But to do this you need to take action You need to develop specific skills and adopt new habits and qualities You need to have the right attributes Pablo Picasso said Action is the foundational key to all success
