Based True Story Norm Macdonald:

Summary of Norm Macdonald's Based on a True Story Milkyway Media, 2021-10-20 Buy now to get the main key ideas from Norm Macdonald's *Based on a True Story* In *Based on a True Story* 2016 Norm Macdonald pieces together a tale of a once famed Canadian comedian who became a Saturday Night Live writer and presenter at the peak of his career Norm merges together two plot lines a main one led by himself as he dives deeper and deeper into the world of gambling and morphine abuse and a secondary one led by a fictional ghostwriter Terence Keane who simultaneously works on typing Norm's memoir The two plot lines which are mostly made up eventually unite ultimately forming a comical absurd sarcastic and atypical autobiography one that is merely based on a true story **Based on a True Story** Norm Macdonald, 2016-09-20 Wild dangerous and flat out unbelievable here is the incredible memoir of the Canadian actor gambler and raconteur and one of the greatest stand up comedians of all time As this book's title suggests Norm Macdonald tells the story of his life more or less from his origins on a farm in the backwoods of Ontario and an epically disastrous appearance on Star Search to his account of auditioning for Lorne Michaels and his memorable run as the anchor of Weekend Update on Saturday Night Live until he was fired because a corporate executive didn't think he was funny But *Based on a True Story* is much more than just a memoir it's the hilarious inspired epic of Norm's life In dispatches from a road trip to Las Vegas part of a plan hatched to regain the fortune he'd lost to sports betting and other vices with his sidekick and enabler Adam Eget Norm recounts the milestone moments the regrets the love affairs the times fortune smiled on his life and the times it refused to smile As the clock ticks down Norm's debt reaches record heights and he must find a way to evade the hefty price that's been placed on his head by one of the most dangerous loan sharks in the country As a comedy legend should Norm peppers these pages with classic jokes and long mythologized Hollywood stories This wildly adventurous totally original and absurdly funny saga turns the conventional comic's memoir on its head and gives the reader an exclusive pass inside the mad glorious mind of Norm Macdonald *Focus On: 100 Most Popular Canadian Male Film Actors* Wikipedia contributors, *The Joke Is on Us* Julie A. Webber, 2018-12-11 This edited volume brings together scholars of comedy to assess how political comedy encounters neoliberal themes in contemporary media Central to this task is the notion of genre under neoliberal conditions where market logics motivate most actions genre becomes mixed Once stable discreet categories such as comedy horror drama and news and entertainment have become blurred so as to be indistinguishable The classic modern paradigm of comedy tragedy no longer holds if it ever did Moreover as politics becomes more economic and less moral or normative under neoliberalism we are able to see new resistance to comedic genres that support neoliberal strategies to hide racial and gender injustice such as unlaughter ambiguity and anti comedy There is also an increasing interest with comedy as a form of entertainment on the political right following both Brexit in the UK and the election of Trump in the U S Several essays confront this conservative comedy and place it in context of the larger humor history of these debates over free speech and political

correctness For comedians too entry into popular media now follows the familiar neoliberal script of the celebration of self help with the increasing admonishment of those who fail to win in market terms Laughter plays an important role in shaming and valorizing often at the same time the precarious subject in the aftermath of global recession Doubling down on austerity self help policies and equivocation in the face of extremist challenges right and left politics foils the critical comedian s attempt to satirize and parody its object Characterized by ambiguity mixed genre and the increasing use of anti humor political comedy mirrors the social and political world it mocks parodies and celebrates often with lackluster results suggesting that the joke might be on us as audiences *Lorne Susan Morrison, 2025-02-18 NEW YORK TIMES*
