Basic Theology Charles C. Ryrie, 1999-01-11 Theology is for everyone Everyone is a theologian of sorts Theology simply means thinking about God and expressing those thoughts in some way But sloppy theology is a problem As Christians our thoughts about God need to coincide with what He has said about Himself in the Bible With his clear understanding of the Scriptures and unpretentious writing style Charles Ryrie has written Basic Theology for every student of God s Word from the devotional student to the seminary student Ryrie s name has become synonymous with dispensational theology and his texts on the subject invaluable to the Bible scholar Now Ryrie s Basic Theology is available to you from Moody Press the company that brings you the Ryrie Study Bible Featuring charts definitions and Scripture and subject indices Basic Theology will give you a clear and comprehensive picture of Ryrie s approach to systematic theology Its 94 chapters are arranged in outline style for easy reference Considerable emphasis is given to explaining the dispensational view of the end times The Layman's Manual on Christian Apologetics Brian G. Chilton, 2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors bloggers and stars from the entertainment industry The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith But how does one respond to these objections For the laity of the church this is especially difficult as many are left without the proper training to know how to answer these objections In The Layman s Manual on Christian Apologetics the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary In this book three major areas of apologetics are covered The first unit engages the nature of truth and what can be known The second unit deals with the existence of God and issues involving God s existence The last unit tackles historical objections to the resurrection of Jesus and early Christianity The Layman s Manual on Christian Apologetics delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable **Biblical Eschatology:** Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only

about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book     *Exploring Christian Theology : Volume 1* ,2014-11-11 The Foundations of Theology in Everyday Language Dallas Seminary professors Nathan Holsteen and Michael Svigel are passionate about the key doctrines of Christianity They want readers to know why they re important and why they matter This volume includes two parts How Firm a Foundation Revelation Scripture and Truth God in Three Persons Father Son and Holy Spirit The authors explore these important topics in a concise and highly readable style that makes sense whether you re a student of the Bible a pastor or someone who simply wants to know God better For each topic you ll find An introduction overview and review of the key points Several applicable Bible texts including verses to memorize A quick paced history of the doctrine Distortions to be aware of and avoid Reading lists for further study A glossary of theological terms Exploring Christian Theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect A great way to get acquainted with key biblical theological themes Darrell Bock Senior Research Professor Dallas Theological Seminary     *The 8 Great Debates of Bible Prophecy* Ron Rhodes,2014-08-01 You ve heard about the tribulation millennium rapture and antichrist but you may wonder what s all the debating about Do most Christians agree on the big issues And what about other topics dispensationalism interpretive views timing of events are they too complex for most folks to understand Not at all In this concise and easy to read review respected Bible teacher Ron Rhodes identifies eight of the most important end times discussions Avoiding complex arguments he highlights the most important biblical passages summarizes a few of the most popular interpretations and provides succinct conclusions He demonstrates that the Bible s end times teaching is intended to be a blessing for every believer As you compare and contrast the various viewpoints you ll be able to enjoy constructive conversations with other Christians and support your own informed convictions You ll also

enrich your reading of the Scriptures and see how passages fit together in God's great plan for the ages Evangelical Bible Doctrine Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come

Messianic Prophecies Cross Examined Loujan J. Matin DC MTS, 2023-12-22 In four years at a Southern Baptist university we wrote our theses Mine was about the Silence of Jesus After graduation my paper was converted to Messianic Prophecies Cross Examined a book nominated for the Erik Hoffer Award In this riveting divine drama unlike His Sanhedrin trial and after two millennia of silence and guilty verdict Jesus is represented by a defense council that energetically defends Him against the opposing council Caiaphas interrogations It will energize your heart mind and soul A pleasure to read a one stop The thesis concluded with the fifth chapter but the book has a sixth chapter about His Second Coming so read it last Will the Son of Man return by the same Name Will His followers be known as Christians or will they be given a new Title The combined force of sixty five Bible KJB texts removes all uncertainty concerning His potential New Name The sixth chapter discusses these and other thought provoking subjects This book discusses forty nine topics that our preachers are unable to address in their sermons In words of one reader Messianic Prophecies Cross Examined shifted my consciousness Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them

forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Revisiting Jesus Christ's Continuing Humanity Patrick Nasongo Ph.D.,2022-09-12 Most readers are familiar with Jesus deity and His humanity while He was here on the earth but they seldom consider the fact of His continuing humanity Dr Nasongo investigates the insufficient treatment of this subject from the time of the Apostolic Fathers to the present and then he presents the biblical evidence for Christ s continuing humanity In the process he demonstrates its relationship to apologetics hermeneutics and systematic theology with a special emphasis on eschatology **Evangelical Theology**

Michael F. Bird,2013-10-29 Evangelical Theology is a systematic theology written from the perspective of a biblical scholar Michael F Bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood Using the gospel as a theological leitmotif an approach to Christian doctrine that begins with the gospel and sees each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian According to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of Christian life The text features tables sidebars and questions for discussion The end of every part includes a What to Take Home section that gives students a run down on what they need to know And since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional Comic Belief sections so that students may enjoy their learning experience through some theological humor added for good measure 40 Days Through Bible Prophecy Ron

**The High Cost of a Free Gift** Kermit Taylor, 2020-10-26 When we think about our salvation in most cases we will focus on God's gracious and undeserved goodness toward us Though salvation flows from the grace of God thereby making it free to all who put their trust in Jesus free does not mean that our salvation is cheap or without great cost to God Himself This book The High Cost of a Free Gift takes a very Christocentric look at the gracious provision of salvation This book focuses on all that it cost our Savior in order that He might be our perfect and eternal sacrifice for sin By looking at the Christology of our salvation this book encourages a greater appreciation for all that the Son of God endured in order that we might be saved From His preincarnate glory to His descent into the grave our Savior paid a high price in order that we might receive the free gift of salvation This book will trace the downward stage in the works of Jesus Christ from His glory to the grave referred to as His humiliation We will take a deeper look at the following topics Jesus's Glorious Preincarnate Existence The Meaning and Necessity of His Humiliation The Virgin Birth and Incarnation of Jesus Kenosis The Self Emptying of Jesus His Temptations and Rejections His Illegal Trials His Sacrificial Atoning Death His Burial and Descent to Hades The Implications of His Humiliation Ultimately from this reading we learn that the Son of God's love for man was so deep that He willingly laid aside His glory in order to endure a level of humiliation that was so great that only God wrapped in humanity could endure it Our greater appreciation for the high cost that Jesus paid to save us should cause us as believers to appreciate admire and adore Him all the more and greatly value the free gift to which He paid such a high cost

*The Obscurity of Scripture: Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity* Casey J. Chalk, 2023-03-07 Turn on Christian radio anywhere in the United States and see how long it takes before someone declares that Scripture clearly teaches fill in the blank There's a reason for that and it has to do with the very origins of Protestant Christianity more than five hundred years ago The Protestant Reformation coalesced around five core doctrines sola scriptura sola fide sola gratia solus Christus and soli Deo gloria But another founding principle served as bedrock for all of them the doctrine of clarity or perspicuity According to this doctrine which was upheld in various forms by all the major Reformers and remains central to Protestantism today the Bible is clear enough so that any Christian relying on the Holy Spirit will be able to determine at least what is necessary for salvation if not much more The Obscurity of Scripture Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity catalogues and analyzes the historical theological and philosophical dimensions of perspicuity

and finds the doctrine not only confused but erroneous destructive and self defeating The Obscurity of Scripture exposes the hopeless dead ends of clarity and through a consideration of Catholic teaching on the Bible offers the only way out

**Evidence for the Rapture** John Hart,2015-07-24 Is the rapture still going to happen And if so when With contributing scholars from schools like Moody Bible Institute Dallas Theological Seminary and The Master s Theological Seminary Evidence for the Rapture is a convincing and thoroughly biblical case for the rapture This collection of exegetical essays looks at the rapture from a number of biblical angles the words of Jesus in the Gospels Paul s teachings in the epistles and even prophetic and apocalyptic literature In sound exegetical technique the authors corroborate Scripture s main teachings on the end times to provide a trustworthy and concise treatment of a multi faceted issue For the last several hundred years the doctrine of a pretribulation rapture has been a fixture in many churches and institutions Evidence for the Rapture is a fresh polish upon this long standing doctrine

**Predestination** Greg Kame,2021-03-11 The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today

*Teolog-A Bsica: Basic Theology* Charles C. Ryrie,1993-08-01 **God Revealed** Victor Philip,2019-02-27 Through much prayer and thought I sensed the Lord leading me to write about God revealed and the condition of humankind from a biblical perspective We are living in a highly technological age which is helpful in many ways where the average person has little or no knowledge of God and His Word As a result they have established their own standards intentionally or unintentionally which in many cases are diametrically opposed to God s standards and principles expressed in His Word I intend to inform the masses concerning who God is based on His Word and to examine the human condition as it relates to human beings before the fall of Adam after the fall and the subsequent reconciliation of those who have chosen to surrender their lives to God Also this book demonstrates God s love for all humankind becoming the bridge that facilitates reconciliation and relationship which was lost when Adam fell from grace
