Beyond The Lines An Autobiography Kuldeep Nayar:

Beyond The Lines: An Autobiography Kuldeep Nayar, 2012-08-10 A veteran journalist and former member of Parliament Kuldeep Nayar is India's most well known and widely syndicated journalist. He was born in Sialkot in 1923 and educated at Lahore University before migrating to Delhi with his family at the time of Partition. He began his career in the Urdu newspaper Anjam and after a spell in the USA worked as information officer of Lal Bahadur Shastri and Govind Ballabh Pant. He eventually became Resident Editor of the Statesman and managing editor of the Indian news agency UNI. He corresponded for the Times for twenty five years and later served as Indian high commissioner to the UK during the V P Singh government. His stand for press freedom during the Emergency when he was detained, his commitment to better relations between India and Pakistan and his role as a human rights activist have won him respect and affection in both countries. Author of more than a dozen books, his weekly columns are read across South Asia. **The People Next Door** T.

C. A. Raghavan, 2019 Considers the relationship between India and Pakistan since the bloody Partition of 1947. **The Great Conciliator** Sanjeev Chopra, 2025-03-18 Lal Bahadur Shastri a man of slight stature took a larger than life stand as India's prime minister. A man of few words, his correspondence was to the point, his speeches succinct. His silence, which some understood as willingness to acquiesce, was both a strength and a weakness. But in fact, during his short term of just about eighteen months, he established institutions that brought India on the path of self sufficiency and helped defend against external aggression. Prime Minister Shastri galvanized the nation with his slogan Jai Jawan Jai Kisan, recognizing the farmers for contributing to both food and national security. He is credited with laying the foundation of the Green Revolution, providing an institutional format to the Commission for Agricultural Costs and Prices and the Food Corporation of India and establishing the National Dairy Development Board. Shastri is also strongly etched in public memory as the first Indian prime minister to direct the army to cross the border. To his leadership therefore goes the credit for the first surgical strike. He established key national and domestic security organizations like the Border Security Force and the Central Bureau of Investigation. In **The Great Conciliator** Sanjeev Chopra draws on meticulous research to turn the spotlight on an often overlooked figure in Indian politics and makes a case for reassessing the legacy of India's unassuming second prime minister.

Indira Files: A Critical Look At The Controversial Side of Indira Gandhi Vishnu Sharma, 2023-12-21 Analyze the controversial side of Indira Gandhi's political legacy with **Indira Files** offering a critical examination of her leadership and policies. I have always felt that Indira Gandhi is the exceptional and foremost example of the dynastic politics of independent India. She is a perfect example of dynastic rule on one hand; she is called the Iron Lady on the other. People pay tribute to her dictatorship for imposing emergency in the country. Where on one hand Indira Gandhi carved her name in golden letters in Indian history by dividing Pakistan into two, on the contrary, she has also endured the slogans like Sanjay ki mummy badi nikammi for blindly loving her son like Gandhari loved Duryodhana. Nonetheless, we cannot forget that it was Indira

Gandhi who gave wings to India's strength and courage by conducting the Nuclear Test however she was also the Prime Minister for whom the High Court issued orders to be removed from her office In fact Indira Gandhi is merely a symbol of dynasty politics The point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position In today's scenario there are numerous political parties that operate under a single family's control Although I hold great admiration for Indira Gandhi however her darker side is perhaps more prominent Hence I believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do

The Story of Tea E. Jaiwant Paul, 2005-04-01 The Story of Tea traces the history myths and rituals of growing and drinking tea from the tea gardens of China to the roadside dhabas of India Thomas Garraway's first public sale of tea in England in 1657 was of historic importance For this he published and distributed a poster The leaf of such known virtues that it is sold for twice its weight in silver It maketh the body active and lusty It helpth the headache giddiness and heaviness and thereof It is very good against stone and gravel cleaning the kidneys and ureter It is good against crudities strengthening the weakness of the Ventricle or Stomack causing good appetite and Deigestion and particularly for men of a corpulent body and such as are great eaters of flesh It prevents and cures ague surefeits and fevers by infusing a fit quantity of the leaf thereby provoking a most gentle vomit It drives away all pains in the Collick proceeding from wind and purgeth safety the Gall So said Thomas Garraway and indeed many belived him

The Forgotten Political Avatar Dr. MAHINDER N. GULATI, 2015-09-10 The author was born Feb 1931 in a remote village of Pakistan At age twenty he became Army officer and published first article at age 22 FORTY DAYS AMONG THE LUSHAIS thereafter many more in social anthropology journals War experiences 1962 Sino Indian War NEFA 1965 Indo Pak War Tank Brigade in Lahore Khemkaran sector where main tank battle was fought in which Indian Centurions defeated America Pattons He was member Planning Staff for Bangladesh Operations and was posted at Dacca during mid December 1971 Cabinet Division of Government of Peoples Republic of Bangladesh appointed Col Gulati as Member Communication Cell of their government An Army Engineer officer generally has to serve in M E S the proverbial Money Earning Service wherein he found himself totally unfit Therefore he sought premature retirement from the Army in 1978 and worked for about 8 10 years in Middle East countries as Project Manager on roads and housing projects including one in his private capacity in the Highway Authority of Government of Yemen Arab Republic Green Card holder USA but now back HOME having earned some honest money Petro dollars Col Gulati has authored published 13 books on military history biographical and philosophical subjects besides venturing into the slippery field of politics He is a prolific writer and has contributed general articles from time to time After finishing his foreign contracts he settled down at Dehradun for Ph D Has thirteen books to his credit on historical biographical philosophical subjects besides one in the slippery field of politics Did PhD in 2006 age 75

MISSING HISTORY OF INDIA Justice Devi Prasad Singh, Missing History of India Part I by Justice D P Singh uncovers the forgotten

overlooked or deliberately excluded aspects of India's ancient past. Drawing from historical evidence, scriptures and logical analysis, the book redefines the boundaries and glory of Bharatvarsha, extending from Gandhar to Brahmdesh. It challenges conventional colonial narratives and emphasizes India's cultural, territorial and civilizational unity. This thought-provoking volume encourages readers to critically assess mainstream history and rediscover India's rich and unbroken heritage. A must-read for history enthusiasts, scholars and patriots seeking truth beyond textbooks and colonially influenced records. This is just the beginning, the first in a powerful historical series.

The 1984 Anti-Sikh Violence Ritika Singh, 2024-10-15. This book presents a comprehensive theoretical study of fictional and non-fictional narratives of 1984 anti-Sikh violence in India. This volume contributes to the expanding field of trauma and memory studies in literature through an interdisciplinary approach. It takes perspectives from the fields of neurobiology, sociology, psychology and literary theory to offer an integrative and fresh approach to reading and locating trauma in narratives. Going beyond a simple reading of silence, the author discusses themes which encompass othering of the Sikh body, visual, echoic and olfactory memories, somatic expressions of trauma, experiences of women and instances of rape and sexual atrocities and children as young witnesses and intergenerational trauma to understand questions of agency and politics of remembering. Incisive and invigorating, this book is a must-read for students of memory and trauma studies, Sikh studies, South Asian literature, gender studies, English studies, postcolonial studies, cultural studies, psychology, exclusion studies and political sociology.

Forged in Crisis Rudra Chaudhuri, 2014-03-30. Rudra Chaudhuri's book examines a series of crises that led to far-reaching changes in India's approach to the United States, defining the contours of what is arguably the imperative relationship between America and the global South. *Forged in Crisis* provides a fresh interpretation of India's advance in foreign affairs under the stewardship of Prime Ministers Jawaharlal Nehru, Indira Gandhi, Atal Bihari Vajpayee and finally Manmohan Singh. It reveals the complex and distinctive manner in which India sought to pursue at once material interests and ideas while meticulously challenging the shakier and largely untested reading of non-alignment palpable in most works on Indian foreign policy and international relations. From the Korean War in 1950 to the considered debate within India on sending troops to Iraq in 2003 and from the loss of territory to China and the subsequent talks on Kashmir with Pakistan in 1962-63 to the signing of a civil nuclear agreement with Washington in 2008, Chaudhuri maps Indian negotiating styles and behaviour and how these shaped and informed decisions vital to its strategic interest in turn redefining its relationship with the United States.

RECOVERY OF INDIA, 2024-08-02. *RECOVERY OF INDIA* presents a holistic view of the country's unmatched tradition, its growth through centuries of chequered history, vis-à-vis its present struggle to rediscover its incomparably rich legacy in a world of cut-throat competition and mind-boggling speed of rat-race that seems to run from nowhere to nowhere. In the giddy tumble caused by IT Era, gargantuan gadgetry and the confusion generated by disordered aimlessness, nobody has the time or inclination to reflect on the whys and wherefores of a world gone topsy-turvy. In this scenario of clouded wits and maverick ambition,

churned by illimitable lust for Mammonism advanced nations are turning towards India in the fond hope of finding spiritual solace and the right direction for moving towards a higher order of civilization The author intends to help non Indians adopt what is healthy while urging his compatriots to restore India s primeval psycho spiritual health to its pristine glory **The Raj on the Move** Rajika Bhandari,2013-12-19 Established in the 1840s by the peripatetic British dak bungalows forever changed the way officers of the Empire and their families travelled across the subcontinent and got to know the real India With most of the British Raj perpetually on the move whether on tour or during the summer migration to the hills dak bungalow travel inspired a brotherhood of sorts for generations of British and Indian officers who could recount tales of horrid dak bungalow food a crazed khansama and the time their only companion at the bungalow was a tiger on the loose Today too PWD run circuit houses and dak bungalows continue to occupy an important place in the lives and imagination of India s civil servants In *The Raj on the Move* Story of the Dak Bungalow Rajika Bhandari weaves together history architecture and travel to take us on a fascinating journey of India s British era dak bungalows and circuit houses following quite literally in the footsteps of travellers who stayed in these bungalows over the past two centuries Her search takes her from the early 19th century memoirs and travelogues of British memsahibs to travelling from the original colonial outpost of Madras in the south to the deep interiors of Madhya Pradesh the heart of British India Evoking the stories of Rudyard Kipling and Ruskin Bond and filled with fascinating tidbits and amusing anecdotes the book unearths local folklore about these remote and mysterious buildings from the crotchety khansamas and their delectable chicken dishes to the resident ghosts that still walk the halls at night *The Emergency* Coomi Kapoor,2016-06-15 A searing indictment of the suspension of democracy In June 1975 a state of Emergency was declared where civil liberties were suspended and the press muzzled In the dark days that followed Coomi Kapoor then a young journalist personally experienced the full fury of the establishment Meanwhile Indira Gandhi her son Sanjay and his coterie unleashed a reign of terror that saw forced sterilizations brutal evictions in the thousands and wanton imprisonment of many including Opposition leaders This gripping eyewitness account vividly recreates the drama the horror as well as the heroism of a few during those nineteen months when democracy was derailed **Understanding Addictions** Smita Barooah Sanyal,2012-11-02 Smita Barooah sanyal is a writer and counsellor and works primarily with people recovering from addictions She has earlier co authored *Pregnancy Care Made Easy* published by Roli Books in 2007 Smita s other passions include fine arts photography and her work has been exhibited in some of Asia s most prestigious art galleries Some of her work can be seen online at www.smitabarooah.com Smita attended Lady Shri Ram College Delhi University and Monash University Singapore campus Currently she splits her time between India and Singapore where she lives with her husband and two sons **Parul: A Love Story** Harsha V. Dehejia,2013-06-01 Praful is a Professor a dyed in the wool academic who is shaped by the life denying philosophy of Shankara s Advaita Vedanta Parul on the other hand is a sensual earthy woman who believes in the veracity of love and the reality of the many beautiful

things that life offers A chance meeting between the two leads not only to a romantic relationship spread over eleven purnimas but becomes a dialogue between two philosophical systems the Advaita of Shankara and the Madhurya of the Bhagvata Purana As romantic moments between the two unfold intellectuality interacts with sensuality questioning the validity of each and as Chaitra moves to Magh a transformation takes place As Harsha Dehejia weaves this romantic story where meetings by the Parijataka and conversations underneath the Champa are not only moments of shringara but introspections on the meaning of life we hear and feel the sensuality of love as it merges seamlessly with the intellectuality of a philosophic discourse In this heart throbbing romantic relationship there is the spiritual quest of ultimate reality along with the pleasures of the sound of the wind and the song of a bird Metaphysical thoughts and tender feelings evocative colours and resonant sounds intoxicating aromas and patterned textures myths and metaphors intermingle in the hushed conversations of two people in love

75 Years After Partition Amit Ranjan, Farooq Sulehria, 2025-07-24 This book explores how the 1947 Partition of British India not only divided people and territories but also deepened cultural rifts in postcolonial India Pakistan and Bangladesh especially between Hindus and Muslims The colonial divide and rule strategy which intensified religious divides laid the foundation for ongoing tensions Even as the 75th anniversary of Partition approached in 2022 this cultural segregation remains prevalent Over the years mass media such as films press and television have significantly evolved in India Bangladesh and Pakistan playing a pivotal role in manufacturing disseminating and perpetuating the narrative of cultural differences based on religion These cultural platforms have gained even more influence with the rise of majoritarian nationalism in both India and Pakistan The chapters in this volume analyses how language cinema and textbooks contributed to the divide instead of bridging gaps and why unresolved questions from the Partition continue to affect the region The chapters cover the communalization of Hindi and Urdu how textbooks in India Bangladesh and Pakistan narrate Partition the role of mass media in India and Pakistan in presenting Partition and the portrayal of Partition in films across India Bangladesh and Pakistan This book is aimed at students researchers and scholars interested in postcolonial studies South Asian history cultural studies and media analysis The chapters in this book were originally published as a special issue of India Review

11 Years CLAT & AILET (2008-18) Topic-wise Solved Papers 2nd Edition Disha Experts, 2018-11-19 The book consists of topic wise questions from the past 11 years 2008 to 2018 question papers divided into 5 sections English Including Comprehension Elementary Mathematics Logical Reasoning General Knowledge Legal Aptitude The coverage of the papers includes CLAT NLU and AILET from 2008 to 2018 as they actually reflect the pattern of the Law exams In all there are 22 Question papers from 2008 to 2018 which have been provided topic wise along with detailed solutions Practicing these questions aspirants will come to know about the pattern and toughness of the questions asked in the examination In the end this book will make the aspirants competent enough to crack the uncertainty of success in the Entrance Examination The strength of the book lies in the originality of its question papers and Errorless
