Beatles Yesterday Piano:

The Beatles and the Beatlesque: A Crossdisciplinary Analysis of Sound Production and Stylistic Impact Dario Martinelli, Paolo Bucciarelli, 2023-07-30 The Beatles and the Beatlesque address a paradox emanating from The Beatles music through a cross disciplinary hybrid of reflections drawing from both musical practice itself and academic research Indeed despite their extreme stylistic variety The Beatles songs seem to always bear a distinctive identity that emerges even more in similar works by other artists whether they are merely inspired derivative or explicitly paying homage The authors a musicologist and music producer emphasize the importance of record production in The Beatles music in a way that does justice not only to the final artifacts the released songs but also to the creative process itself i e the songs in the making Through an investigation into the work of George Martin and his team as well as The Beatles themselves this text sheds light on the role of the studio in shaping the group s eclectic but unique sound The chapters address what makes a song Beatlesque to what extent production choices are responsible for developing a style production being understood not as a mere set of technicalities but also in a more conceptual way as well as the aesthetics semiotics and philosophy that animated studio activity The outcome is a book that will appeal to both students and researchers as well as of course musicophiles of all kinds

Redeemed Kerr Barkley, 2012-12-14 The Quartus Family Saga is an unforgettable tale of a familys love and strife In this third book Redeemed the tormenting battle of the familys struggle to remain together bursts forth as new threats and old consequences bombard them Will past events like murder mayhem and kidnapping ever be put to rest Katie attempts to juggle fame fortune faith family fairytales frailty and the fear of the unknown and worse the known Lifes evil attacks can love redeem them
