Biblical Assessment of the Quran Pieter Voges, 2021-09-03 Is the Quran a continuation of the Bible Was Mohammed prophesied to come Does the Quran acknowledge Jesus as the Christ Can salvation come through Islam according to the Bible As serious students of the Word of God we want to also respect people of other faiths even though we must agree to disagree This study is simply a comparison between the Bible and the Quran It is an effort to answer those who think that all religions are the same and we somehow worship the same God In all honesty the more we study into the various literature and scriptures the more we must admit that it is not the case While the author respect people of other faiths and even has friends who are in other faiths the scriptures are set in black and white and there are differences This book simply strives to demonstrate these differences and seeks to show those who carelessly think that all faiths are the same that there are discrepancies that can lead to breakups of friendships marriages and even communities Radicalizing can even lead to internal terrorizing It is better to know and live in peace with each other with knowledge of these differences than to blunder carelessly into relationships that could lead to serious problems for many families

The Qur'an and the Bible - A Comparison Rick Richter, 2004-01-01

The Beast and False Prophet Revealed Michael Fortner, 2020-08-26 Version 3 5 August 2020 Now with important new information and insights Michael D Fortner takes a fresh new look at Bible prophecy and presents strong evidence that the coming beast and false prophet of the book of Revelation are based solidly in Islam and Muhammad When the head of the beast has a fatal wound it represents the death of the Ottoman Empire in World War 1 Which means it will come back to life again to wage jihad upon the world The second beast of Revelation is Islam the two horns representing the two factions Sunni and Shite Islam has encoded in its teachings murder lying plunder slavery rape warfare and even terrorism as part of its official religious doctrine Jesus said that the thief comes only to steal kill and

destroy and this is exactly what Islam has done from its beginning No other religion so completely fits the description in the Bible of the beast and false prophet than Islam Islam is different from all the other religions that do not believe in Jesus because Islam officially declares that Jesus is not the Son of God Quran 4 171 18 4 5 which is the Biblical definition of Antichrist Who is the liar but he who denies that Jesus is the Christ This is the Antichrist he who denies the Father and the Son 1 John 2 22 Islam ruled the second largest empire in history that stretched from the Atlantic Ocean to the borders of China Millions of Christians have already suffered and died under Islam s armies of conquest and Christians are still dying today in Egypt Iraq Syria Nigeria Sudan and many other places The spread of Islam has left a trail of blood suffering and destruction like no other ideology in world history This book includes a history of Islam s war on Christianity No one could invent a more evil cult For hundreds of years the Muslims of North Africa captured European ships and then American ships and enslaved the passengers and crews They even raided coastal towns and dragged people out of churches and into slavery where they were beaten and abused in order to pressure them to convert to Islam This new book presents the history of Islam s war against Christianity to show how and why it is the beast of Revelation It also includes Daniel 11 The details presented is like no other book *Pearls in the Quran* Kurt Beutler, 2015-12-18 Christ and Quran these don t seem to fit together and yet the Quran says a great deal about Jesus the Bible and Christians This book tries to build bridges The reader will chuckle at the original ideas and interpretations of some Quranic verses and it becomes clear that this book was not written by an academic These thoughts evolved throughout the course of many years of discussions with Muslims friends Love and forgiveness are emphasized on these pages It is a book for everyone who is sick of senseless religious wars and hateful speech Whether complete reconciliation is possible and both religions can be entirely subsumed into one is clarified in the final section
