Phuketindex.com Magazine Vol.19 Phuketindex.com Team, **Entrepreneurship in the Hospitality, Tourism and Leisure Industries** Biswajit Pattajoshi, 2018-10-10 Many standard BOP models have been undergoing radical transformations Newer functioning models with inclusivity with holistic systems approach is the mantra Development has morphed into community leadership and societal fabric building now frames the effect of corporate governance activities on shareholder value Not surprisingly new voices have been calling for reinvention of marketing CEO s cannot get clear compelling answers about marketing s impact on the bottom line The adage of Sam Wanamaker that he knows that 50 percent of his advertisement works but he does not know which half still haunts management Consider the following Economic liberalisation has given a new impetus to the hospitality industry It costs an average of US 50 80 million to set up five star hotels with 300 rentable rooms in India The gestation period is usually between three and four years Movements in real estate prices have to be watched though they have stabilised in the past three years or so Non five star hotels are obviously cheaper and have smaller gestation periods but international chains are expected to go into the five star category Biswajit Pattajoshi offers not only a candid critique of eradicating poverty through bottom of pyramid spins but more important a clear agenda indeed the Samaritans agenda for meaningful change in end of poverty by immortal brand equity white horse He calls upon leadership to deliver value and solutions not physicality colours He believes that the stalwart must understand their building blocks and operations from finance to supplier partnerships They must co operate and compete on multidisciplinary teams because BOP model fails whenever any part of greater agenda fails to cohort with great acres BOP s are posing titan challenges to manage marketing tornadoes many of which are exemplary spectaculars in waves of

shareholders Marketing change agents have led to innovative community building indispensability models that track futuristic transformation eradicating poverty establishing peace revolution If community building model s take off profits are harnessed by the BOP

1500 Hotel Nights Daniel Tabbush, 2017-01-17 An honest critique of hotels and restaurants is missing from bookshelves and Daniel Tabbush would argue that in fact there s a plethora of the opposite All too often design characteristics at hotels and restaurants make little sense and no voice speaks out for the traveller to improve these defects Once we confirm and pay for a hotel we are hostages When we find a problem there is no way out and nobody speaks the

truth We are asked how is everything and we reply fine So many publishers say that this book is too full of complaints it s the straightforward truth that nobody speaks out Absurd design flaws abound which can be seen in every kind of hotel even in the most luxurious establishments worldwide Bedframes that jut outward with a hard edge help a guest in no way other than to stumble and for shin injuries haphazardly placed two way light switches for room lights cause confusion rather than convenience thunderous air conditioning does not lend to a restful sleep These are often accompanied by dim romantic room lighting which disallows reading writing or simply game playing a profusion of ceiling protuberances in an array of shapes sizes and textures is unpleasant on the eyes and upsetting and the incessant blinking of 12 00AM on a DVD player is a worthless hotel amenity for any hotel guest We all know it when we see it but it s rare to find a compendium of hotel design weaknesses For travellers 1500 Hotel Nights will be both entertaining as well as helpful in identifying and avoiding troublesome hotel design deficiencies For hotel managers and designers this book can assist in better understanding the viewpoint of the keen traveller and in developing a superior hotel room the travel experience itself *Damron*
