*Australian Pentecostal and Charismatic Movements*, 2020-04-28 In *Australian Pentecostal and Charismatic Movements* Arguments from the Margins Rocha Hutchinson and Openshaw argue that Australia has made and still makes important contributions to how Pentecostal and charismatic Christianities have developed worldwide This edited volume fills a critical gap in two important scholarly literatures The first is the Australian literature on religion in which the absence of the charismatic and Pentecostal element tends to reinforce now widely debunked notions of Australia as lacking the religious tendencies of old Europe The second is the emerging transnational literature on Pentecostal and Charismatic movements This book enriches our understanding not only of how these movements spread worldwide but also how they are indigenised and grow new shoots in very diverse contexts

**Happy: LGBTQ+ Experiences of Australian Pentecostal-Charismatic Christianity** Mark Jennings, 2023-01-01 This book relates the unique experiences of Lesbian Gay Bisexual Transgender and Queer Questioning LGBTQ people in Australian Pentecostal Charismatic Christian churches Grounded in the theoretical contributions of Michel Foucault Judith Butler Lewis Coser and others the book exposes the discursive battleground over the truth of sex which underlies the participants' stories These rich and complex narratives reveal the stakes of this conflict

manifested in the line a barrier restricting out LGBTQ people from full participation in ministry and service Although some participants related stories of supportive if typically conservative congregations where they felt able to live out an authentic integrated faith others found they could only leave their formerly close and supportive communities behind counter rejecting the churches and often the faith that they felt had rejected them Just Pray John F. Hannah,2021-04-20 The answer to your need is locked in prayer While prayer has not been a hot topic for many Christians it is the most substantive course one could ever enroll in I haven t met a person who didn t want to be better I haven t spoken to an individual who didn t want to have the best job and the best spouse attend the best school and experience the best life But in our attempt to have the best we often look to people to give us what only prayer can give We look for things that can only be received via spiritual transfer What we really need is prayer Pastor John Hannah shares insights on how prayer is the most under utilized tool in the treasure chest of Christianity and it is a MUST HAVE Just Pray explores the call the seat and the warfare of prayer When you finish this book not only will you have practical tools to improve your prayer life but also an encyclopedia of benefits that will help you to experience your best life now This book will show you how to deepen and intensify your prayer life and gain wisdom on how to access heaven on Earth in powerful and yet practical ways **Our Father's House** Leonie

Smith,2019-10-25 Most people visit a church for the first time either by invitation or reputation Many books have been written on the subject of personal evangelism and the importance of being a bringer This book however explores the power of reputation specifically God s reputation as upheld and reflected in a church s culture Based on the story of the Queen of Sheba s visit to King Solomon and how her initial encounter with his kingdom left her breathless and astounded this book explores the profound effect a church s culture can have on the heart of a seeker as they pursue rumours of King Jesus and His Kingdom It warns that Kingdom culture doesn t happen by chance but only as every member of the King s household lays down their own comfortable and familiar culture to surrender instead to the common culture of Heaven This book has been written to inspire every Christian to vigilantly uphold Heaven s culture when living loving and serving in the Fathers House their local church It implores us all not to waste another minute in engaging our God given gifts and talents to create Heaven on Earth so that the Kingdom of God might be revealed in all of its glory to a world that is in desperate need of its wisdom power and atmosphere Only then having tasted Heaven will lost people truly desire to seek out this Kingdom s magnificent King **Religion and Change in Australia** Adam Possamai,David Tittensor,2022-03-30 This timely book offers a

panoramic overview of the enduring significance of religion in modern Australian society Applying sociological perspectives and contemporary theories of religion in society it challenges conventional assumptions around the extent of secularisation in Australia and instead argues that religious institutions groups and individuals have proved remarkably adaptable to social change and continue to play a major role in Australian life In doing so it explores how religion intersects with a wide range of other contemporary issues including politics race migration gender and new media Religion and Change in Australia explores

Australia's unique history regarding religion Christianity was originally imported as a tool of social control to keep convicts settlers and Australian Aboriginal peoples in check This had a profound impact on the social memory of the nation and lingering resentment towards the excessive presence of religion continues to be felt today Freedom of religion was enshrined in Section 116 of the Australian Constitution in 1901 Nevertheless the White Australia Policy effectively prevented adherents of non Christian faiths from migrating to Australia and the nation remained overwhelmingly Christian However after WWII Australia in common with other western societies appears to have become increasingly secularised as religious observance declined dramatically However Religion and Change in Australia employs a range of social theories to challenge this secularist view and argues that Australia is a post secular society The 2016 census revealed that over half of the population still identify as Christian In politics the socially conservative religious right has come to exert considerable influence on the ruling Liberal National Coalition particularly under John Howard and Scott Morrison New technologies such as the Internet and social media have provided new avenues for religious expression and proselytisation whilst so called megachurches have been built to cater to their increasing congregations The adoption of multiculturalism and increased immigration from Asia has led to a religiously pluralist society though this has often been controversial In particular the position of Islam in Australia has been the subject of fierce debate and Islamophobic attitudes remain common Atheism non belief and alternative spiritualities have also become increasingly widespread especially amongst the young Religion and Change in Australia analyses these developments to offer new perspectives on religion and its continued relevance within Australian society This book is therefore a vital resource for students academics and general readers seeking to understand contemporary debates surrounding religion and secularisation in Australia

**Christentum medial** Esther Berg-Chan,Markus

Luber, 2020-01-27 Dieser Band beschäftigt sich mit der Rolle und Bedeutung von Medialität und Medienwandel im Christentum in Geschichte und Gegenwart aus interdisziplinärer und weltkirchlicher Perspektive. Wie gestaltet sich die Wechselbeziehung zwischen sich wandelnden Medien auf der einen Seite und christlichen Diskursen, Praktiken, Wahrnehmungserfahrungen sowie Vergemeinschaftungsformen auf der anderen? Und wie sind besonders neuere und neueste Entwicklungen im gegenwärtigen digitalen Zeitalter aus missionswissenschaftlicher Perspektive zu beurteilen? Im Fokus stehen sowohl mediale Inszenierungen pentekostaler und neocharismatischer Gestaltungen des Christentums als auch die Transformation der kommunikativen Performanz in den etablierten Kirchen. Der Band bietet Anregungen für einen veränderten Blick auf die Pastoral in digitaler Kultur und thematisiert die Notwendigkeit ihrer ethischen Reflexion. Has the Luck Run Out? David Fagan, 2019-02-26 Why are Australians anxious and pessimistic? Who or what has caused our loss of trust in Australia? Why has a feeling of powerlessness crept in for so many? Has the luck really run out for the lucky country? And what can we do to get it back? Every generation believes its forebears have messed up the planet. That's how we evolve. But the mood in Australia at the moment for all ages seems one of gloom. People are angry. Distrustful. And not just because we are losing Prime Ministers faster than we are losing wickets. Sport, business, education, banking, farming, religion, trade unions, charities and hospitals have all lost their way through a series of scandals that we must learn from. And disillusion with our leaders is at its peak. Policy has been replaced by politicking. Commentator, author and former newspaper editor David Fagan asks the questions we all want answered as he traces the not so gentle decline of important Australian institutions. Through analysis and interviews with experts he explores what has defined Australia in the past and how we want to be defined in the future. Peeling back the rot that has contaminated almost everything Australians believe in, he asks: are we still the economically, socially and culturally strong country that most aspire to? Should we be alarmed? Or has the laconic Australian drifted from believing she'll be right to being a bloody knocker? Has the Luck Run Out? shines a spotlight on the mistakes we have made, our national disillusion and looks to what can be done to reset the mood of the times. And more importantly, what we have to do to set things right. GenerationEN Tan Seow How, Cecilia Chan, 2024-07-03 Einblicke und Insider-Geschichten. Dieses Buch ist einzigartig. Neben Pastor How und Pastorin Lia bringen 13 weitere Autoren ihre Sicht auf das Konzept von GenerationEN ein. Darunter sind globale christliche Führungskräftepersönlichkeiten wie John Bevere und Matt Redman, aber auch unsere Nachwuchspastoren aus den eigenen Reihen, unser Stabschefs und sogar unsere eigene Tochter.
