Kissed by a Fox Priscilla Stuckey,2012-09-01 Drawing inspiration from sources as varied as ancient philosophers and contemporary biologists *Kissed by a Fox* challenges readers to enact a different story of nature one in which people and place are not separate where other creatures respond to human need and where humans and all others together create the world Dissatisfaction with nature flows throughout Western civilization as deep as its blood as abiding as its bones Convinced to the marrow that something is deeply wrong with nature the Western world tries to remake it into something better For Priscilla Stuckey this is a fundamental and heartbreaking misconception that nature can be fixed exploited or simply ignored Modern societies try to bend nature to human will instead of engaging in give and take with a living breathing land community Using her personal experiences as the cornerstone Stuckey explores the depth of relationship possible with the birch tree in our backyard the nearby urban creek the dog who settles on our bed each night With the eloquence of the great nature writers before her Stuckey encourages us to open ourselves to the unlimited possibilities of a truly connected life **The Slow Lane** Sascha Haselmayer,2023-07-18 Avoid the speed trap Discover how changemakers can find lasting solutions to urgent social problems through a proven 5 step process for listening thoughtfully building broad support and exploring unconventional options Society celebrates leaders who promise fast easy solutions to the world s problems but quick fixes are

just mirages that fade leaving us with the same broken systems The truth is effective social change happens through slow intentional actions The author a globally acclaimed social entrepreneur offers a 5 step process for taking the slow lane to change the lane that gets you to the right place faster Listening Listen to build trust which can change hearts and minds and allow for something new to emerge Holding the urgency Accept that even in moments of crisis you can move only at the speed of trust instead of rushing into action Sharing the agency Create an inclusive environment where everyone can lead Healing democracy Build bridges that allow marginalized people to participate Maintaining curiosity Be inspired by nontraditional sources Using dozens of examples prison reform in England urban development in Venezuela healthcare in the Navajo Nation early childhood education in New York and many more The Slow Lane shows how by following the principles taught in this book readers can create lasting change
