addressed the communal and everyday subjective experiences of continuing bonds with the deceased as well as how our relationship with our grief changes in the long term In this book Blake Paxton shows how a community in southern Illinois continues a relationship with one deceased individual more than ten years after her death Through this gripping autoethnographic account of his mother's struggles with a rare cancer her death and his struggles with sexuality he poses possibilities of what might happen when cultural prescriptions for grief are challenged and how continuing bonds with the dead may help us continue or restore broken bonds with the living

Home Is Where My People Are Sophie Hudson, 2015-01-16 All roads lead to home It's easy to go through life believing that we can satisfy our longing for home with a three bedroom two bath slice of the American dream that we mortgage at 4 percent and pay for over the course of thirty years But ultimately in our deepest places we're really looking to belong and to be known And what we sometimes miss in our search for the perfect spot to set up camp is that wherever we are on the long and winding road of life God is at work in the journey teaching us shaping us and refining us sometimes through the most unlikely people and circumstances In Home Is Where My People Are Sophie Hudson takes readers on a delightfully quirky journey through the South introducing them to an unforgettable cast of characters places and experiences Along the way she reflects on how God has used each of the stops along the road to impart timeless spiritual wisdom and truth Nobody embodies the South like Sophie Hudson and this nostalgic celebration of home is sure to make even those north of the Mason Dixon line long to settle in on the front porch with a glass of sweet tea and reflect on all of the people in our lives who related or not have come to represent home Because at the end of the day it's not the address on the front door or even the name on the mailbox that says home but the people who live and laugh and love there wherever there might happen to be
