## **Who Really Killed Kennedy The Ultimate Guide To Assassination Theories 50 Years Later Jerome R Corsi:**

Who Really Killed Kennedy? Jerome Corsi, 2021-04-12 Almost nothing gives rise to more national intrigue than the murder of an American president And on November 22 2013 the nation remembered the 50th anniversary of one of the most traumatic events in modern American history the assassination of President John F Kennedy From day one the truth behind JFK s assassination has been mired in controversy and dispute The Warren Commission established just seven days after Kennedy s death delved into the who what when and where of the tragedy and over the course of the following year compiled an 889 page report that arrived at the now widely contested conclusion Lee Harvey Oswald was the sole assassin In Who Really Killed Kennedy No 1 New York Times best selling author Jerome R Corsi Ph D provides readers with the ultimate JFK assassination theory book

**The JFK Assassination Debates** Michael L. Kurtz, 2006-11-08 Who killed JFK Ever since that fateful day in Dallas theories about President Kennedy s murder have proliferated running the gamut from the official lone gunman verdict to both serious and utterly screwball conspiracy theories Michael Kurtz a distinguished historian who has plumbed every crevice of this controversial case for more than thirty years now sums up and critiques four decades of debate while also offering provocative new perspectives Kurtz presents an objective accounting of what we actually know and don t know about the assassination underlining both the logic and the limitations of the major theories about the case He then offers unique interpretations of the physical and forensic evidence and of existing areas of controversy leading him to new conclusions that readers will find hard to dismiss Kurtz shows how the official investigation s egregious mishandling of the crime scene evidence related to virtually every aspect of the case is largely responsible for the lone gunman conspiracy schism that confronts us today Those responsible for that investigation including the Dallas police the FBI and the Warren Commission failed so miserably in their efforts that they would have been laughed off the air if they had been portrayed on any of TV s popular CSI series One of the few experts writing on the subject who actually met Oswald Kurtz also provides new information about the accused assassin s activities around the time of the assassination and about his double life analyzing Oswald s ties to the intelligence community to organized crime and to both anti and pro Castro Cuban activists Mustering extraordinary documentation including exclusive interviews with key figures and extensive materials declassified by the Assassination Records Review Board he both confirms and alters much previous speculation about Oswald and other aspects of the case Who really killed JFK Forty years later most Americans still feel they don t know the truth and that their own government isn t telling them the whole story This book offers a corrective to even the most recent final verdicts and establishes a sound baseline for future research

*The Final Analysis* David W. Mantik, Jerome R. Corsi, 2024 In this decisive analysis of the JFK assassination medical expert Dr David W Mantik and New York Times bestselling author Jerome R Corsi definitively validate the observations of the physicians at Parkland Hospital who recognized immediately that the wound in JFK s throat and the massive avulsed blow out in the back of his head both involved frontal shots What distinguishes this

book from the myriad of books written on the JFK assassination is that Dr Mantik's optical density measurements of the JFK skull X rays in the National Archives leave no doubt the X rays were altered to disguise evidence of the two frontal shots. With over four decades of experience reading X rays Dr Mantik has examined the JFK assassination materials more than anyone else. Mantik and Corsi present overwhelming testimonial and documentary evidence that proves the Bethesda surgeons performed pre autopsy surgery on JFK's head to remove evidence of the forehead bullet as well as to gain access to his brain and thus sanitize the crime scene by removing bullet fragments and bullet tracks in the brain tissue.

**Honest Answers about the Murder of President John F. Kennedy** Vincent Michael Palamara, 2021-03-19. Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts. Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well. The reader is often left exhausted and confused. The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63. This book seeks to separate the wheat from the chaff. It is 55 plus years later it is time for real honest answers in an easy to read and understand format. Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond. Based on years decades of primary source research and having read countless books on the subject.

**Who Really Killed Kennedy?** Jerome R Corsi, 2013. Posits that John F Kennedy was not killed by a lone assassin.

**A Cruel and Shocking Act** Philip Shenon, 2013-10-29. A groundbreaking explosive account of the Kennedy assassination that will rewrite the history of the 20th century's most controversial murder investigation. The questions have haunted our nation for half a century. Was the President killed by a single gunman? Was Lee Harvey Oswald part of a conspiracy? Did the Warren Commission discover the whole truth of what happened on November 22 1963? Philip Shenon a veteran investigative journalist who spent most of his career at The New York Times finally provides many of the answers. Though **A Cruel and Shocking Act** began as Shenon's attempt to write the first insider's history of the Warren Commission it quickly became something much larger and more important when he discovered startling information that was withheld from the Warren Commission by the CIA FBI and others in power in Washington. Shenon shows how the commission's ten month investigation was doomed to fail because the man leading it Chief Justice Earl Warren was more committed to protecting the Kennedy family than getting to the full truth about what happened on that tragic day. A taut page turning narrative Shenon's book features some of the most compelling figures of the twentieth century Bobby Kennedy Jackie Kennedy Lyndon Johnson J Edgar Hoover Chief Justice Warren CIA spymasters Allen Dulles and Richard Helms as well as the CIA's treacherous molehunter James Jesus Angleton. Based on hundreds of interviews and unprecedented access to the surviving commission staffers and many other key players Philip Shenon's authoritative scrupulously researched book will forever change the way we think about the Kennedy assassination and about the deeply flawed investigation that followed. *A Washington Post Notable Nonfiction Book of 2013*

*Who Really*

*Killed JFK?* Therlee Gipson, 2015-11-20 Introduction John Fitzgerald Kennedy the thirty fifth President of the United States was assassinated at 12 30 pm Central Standard Time on Friday November 22 1963 in Dealey Plaza Dallas Texas Kennedy was fatally shot while traveling with his wife Jacqueline Texas Governor John Connally and the latter's wife Nellie in a Presidential Motorcade The ten month investigation of the Warren Commission of 1963 1964 concluded that the President was assassinated by Lee Harvey Oswald acting alone and that Jack Ruby acted alone when he killed Oswald before he could stand Trial These conclusions were initially supported by the American public however polls conducted from 1966 to 2004 found that as many as 80 percent of Americans have suspected that there was a plot or cover up Contrary to the Warren Commission the United States House Select Committee on Assassinations HSCA in 1979 concluded that President John F Kennedy was probably assassinated as a result of a conspiracy The HSCA found both the original FBI investigation and the Warren Commission Report to be seriously flawed While agreeing with the Commission that Oswald fired all the shots which caused the wounds to Kennedy and Governor Connally it stated that there were at least four shots fired and that there was a high probability that two gunmen fired at the President No gunmen or groups involved in the conspiracy were identified by the committee but the CIA Soviet Union Organized Crime and several other groups were said to be not involved based on available evidence The assassination is still the subject of widespread debate and has spawned numerous conspiracy theories and alternative scenarios I do not know who planned the assassination nor who fired the shots But I am convinced there was a conspiracy This book is about John F Kennedy's visit to Texas in 1963 and the detailed timeline of events before during and after his assassination Chapters include Timeline of Kennedy Assassination Fatal Day Players Photos of the Crime Scene Dealey Plaza Witnesses Who Really Killed JFK A New View of Old Evidence JFK Legacy JFK Funeral JFK Last Speech in Ft Worth and CIA Director withheld information about JFK Therlee Gipson

*Mary's Mosaic* Peter Janney, 2012-04-02 Winner 2012 Hollywood Book Festival for General Non Fiction Honorable Mention 2012 New England Book Festival for General Non Fiction Honorable Mention 2012 London Book Festival for General Non Fiction Who really murdered Mary Pinchot Meyer in the fall of 1964 Why was there a mad rush by CIA counterintelligence chief James Angleton to locate and confiscate her diary What in that diary was so explosive Had Mary Meyer finally put together the intricate pieces of a plan to assassinate her lover President Kennedy with the trail ultimately leading to the CIA And was it mere coincidence that Mary was killed less than three weeks after the release of the Warren Commission report These are the questions that author Peter Janney finally answers in a way that no one else ever has In doing so he may well have solved Washington's most famous unsolved murder Based on years of painstaking research and interviews much of it revealed here for the first time the author traces the key events and influences in the life of Mary Pinchot Meyer including her first meeting with Jack Kennedy at the Choate School in 1936 her explorations with psychedelic drugs her relationship with Timothy Leary and finally how she supported the president as he turned away from the Cold War toward the pursuit of world peace As we approach the 50th anniversary of

President Kennedy's assassination and Mary Meyer's *Mary's Mosaic* adds to our understanding of why both took place

*Reasonable Doubt* Henry Hurt, 1986 Presents a thorough examination into the unanswered questions surrounding the assassination of President Kennedy     "They've Killed the President!" Robert Sam Anson, 1975     **Cold Case Kennedy** Flip de Mey, 2013 Take a front row seat in the investigation to discover what really happened in Dallas just after midday on November 22, 1963 Flip de Mey has spent many years analyzing the dossier on the assassination of President John F. Kennedy. He re-examined all the original investigation documents and challenged both the defenders and the critics of the official account 50 years after the event he comes up with a surprising and groundbreaking theory Cold Case Kennedy is the first book to systematically scrutinize all aspects of the murder dossier Why did Robert Kennedy remain silent Was there really a magic bullet What was the role of Lyndon Johnson in the drama Was there more than one sniper Why did the Warren Commission refuse to consider a third victim on Dealey Plaza What was a convicted gangster doing in the building directly across from the Texas School Book Depository And last but not least was the official investigation the most in depth inquest ever to be carried out or was it nothing more than a clumsy attempt to sweep things under the carpet Flip de Mey started his career as a lawyer but studied further to become a forensic auditor specializing in the unraveling of fraud and other irregularities His expertise based on many years of experience and his specific methods for analyzing complex dossiers served him well during the pursuit of his passion the assassination of JFK     **On the Trail of the Assassins** Jim Garrison, 1988 Jim Garrison's book presents the most powerful detailed case yet made that President Kennedy's assassination was the product of a conspiracy and that the plotters and key operators came not from the Mob but the CIA I think there was a conspiracy There's kind of collective amnesia about the whole thing The Warren Commission construed its mission to be restoring equilibrium No one really wanted to know It goes back to the late sixties the Garrison case Remember he had this elaborate conspiracy theory The stones that were turned over Fantastic characters kept emerging
