The Grace of God, the Will of Man Clark H. Pinnock,1989

The Grace of God the Will of Man A Case for Arminianism was written by an impressive team of evangelical scholars from many traditions This work carries on the ancient debate about the scope of God s saving purposes and the manner of his effecting salvation in human beings It defends the proposition that God is a dynamic personal Agent who respects the freedom he chose to delegate to his human creatures and relates sensitively to us in the outworking of his plans for the whole of history God is love and expresses his power by working salvation among us under conditions of genuine mutuality The contributors to this volume are Christian scholars who are eager to present this evangelical model as an alternative to deterministic theology They do not claim to have said the last word on the subject but want at least to keep the ball of theological discussion in play

One Flesh Joe Fogle,2007-05-05 On the sixth day of creation God formed Adam from the dust of the earth God then formed Eve from Adam s side From this day forward man was to leave his father and mother and cleave to his wife The two are joined together by God in a permanent one flesh relationship After man fell the sins of adultery fornication polygamy and divorce altered God s intention for marriage This was true of those both outside and inside God s covenant community By the time the Lord Jesus Christ came in the flesh the

traditions of Judaism had either changed or nullified God's command for marriage. The Lord Jesus Christ came and stated God's original intent for marriage: 1 Permanence. The husband and wife are one flesh. They are permanently joined in a covenant relationship for life. No person has the legal or moral authority to end what God has joined together. No sin or legal document can dissolve the one flesh bond. 2 Forgiveness. This is Christ's emphasis in dealing with sin. When one spouse fails, the love of Christ compels the other to forgive. Hardness of heart is the cause of unforgiveness and results in divorce. Because of the biblical teachings of Jesus and Paul, the early church held to the permanence of marriage. Over the centuries, Christ's commands on the permanence of marriage have been either changed or nullified. They have been replaced with the traditions of men. In theory, Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them. In practice, many evangelical Christians are divorcing and remarrying for almost any reason. The Lord Jesus Christ taught God's original intentions regarding forgiveness and divorce. The Word of God has not changed. What God has joined together, let no man separate. Mark 10:9. **What the Bible Teaches** William MacDonald, 1949. **Perspectives on Spirit Baptism** Chad Brand, 2004-11-01. In Exploring the Holy Scriptures, beginning students will find concise answers to their questions, and those trying to hone their knowledge will take their understanding to the next level. Reverend O. L. Johnson considers some of the most essential questions for Christians, including: How to know and understand God. The nature of faith. How to develop Christian maturity. Ways to build God's kingdom. And much more. With this book, you will be devoting yourself to a practical study of Christian doctrines. If you prefer books that skip long-flowing theological concepts and get to what really matters, then it's time to begin Exploring the Holy Scriptures. No Longer A Mystery Ralph G. Vestal, 2023-12-07. Without a doubt, there are many passages in the Bible which we do not fully understand today and will not until we are in Heaven with the Lord. 1 Corinthians 13:9-12. The purpose of this book is not therefore to attempt to answer every question or solve every issue which may arise as we read the Bible. In this book, we will look at every passage in the New Testament in which the word "mystery" appears. The truths and events which the Bible refers to as mysteries are now revealed and explained for us. As we look at each of these, we will discover something of God's Plan for the ages, and we will see just where we fit into that plan. And we will see that the truths and events which in God's wisdom were once concealed are now **No Longer A Mystery**. **The Virus, The Vaccine, The Victory** James Alamu Falola, 2025-05-29. This book is written with the urgent need to alert the church and the world at large about the one and only cure for the virus of sin plaguing the lives of humanity. It is salient to note that almost every major episode of virus outbreak has led to a discovery and the development of a vaccine which makes way for

the prevention of the effect of the virus on human lives This paves the way to victory over agony and the ordeal of suffering in such a period in history However the vaccine of the blood of Jesus has been available and accessible to only those who have chosen to receive Him as Lord and Savior The knowledge of this truth should have kept many out of the bondage to sin The nature and the subsequent affliction of sin came from the evil transaction of Adam and Eve with Satan and because of their disobedience the gate of the Garden of Eden was shut behind them What happened from then on was the deluge of calamities that are difficult to imagine but seen Many suffered under the weight and consequences of sin until the Father God in heaven sent His only Son Jesus to come and shed His blood for our atonement This divine discovery a gift from God the Father coupled with the victory of resurrection which paves the way for cleansing and forgiveness of our sins led to our eternal rejoicing in His presence Paul in bringing this home to us with clarity argues in 1 Corinthians 15 17 that if Christ is not raised your faith is futile and you are still in your sins NKJV This is profoundly true because it ties our salvation to His resurrection and eventually the privilege to reign with Him eternally Glory be to God *The Sunday Morning Experience* Archie Carter, 2007-05 Reader Have you wished while sitting in Sunday School that you had Answers to biblical background and a good understanding of the text being presented If your answer was YES then the Sunday Morning Experience is for you The Subtitle of this book is Gleaning from the Word of God Those who glean pickup every little morsel that drops from the lips of the teacher This is what you get Moderate to Extensive Introductions to the lessons presented Clear writing that even the new Christian can understand A Biblical Experience beyond the normal In Time You may become a resource to your class Use this book with your bible to increase your appreciation and understanding of the word Enjoy Archie Carter received a Masters of Business Administration MBA Degree from the University of Phoenix He received his Bachelor of Arts Degree from San Jose State University On the spiritual side although not seeking a degree he has taken several courses from Bible Colleges and given seminars and speaking engagements at various churches He is an avid reader and has been blessed to receive the word of God through many of the greatest preachers and evangelist of our day He taught the Adult Sunday School Indoctrination class Vacation Bible School and last but not least he was the teacher for the Deacon s workshop He and his wife Vernice live in San Jose California **Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office, 1977 Includes index **God's Love Language** Dr. LaNissa Finney, MDiv DBS, 2022-09-29 If God is speaking to us then what is He saying That is what most people want to know This book reveals God s love language from Genesis all the way into the New Testament when Jesus finally appears on the scene It takes an in depth look at God s communication with Israel but also the world outside of Israel It explores the blunders and calamities that God s people get themselves into and reveals God s response as a love language Each book of the Bible tells a unique story and within that story God is speaking a language of love as reconciliation The goal is to see God s love even if that language is challenging at times Within each disaster of the biblical narrative God reveals Himself as faithful and loving Even in God s judgement there is a beautiful

language of love being revealed which is clearly seen in God's exchange with Pharaoh. This book will help answer difficult questions about the Old Testament while pointing out God's method of communication with the people of the Old and New Testament. The aim is to help you see the conversation between Creator and creation as both purposeful and affectionate.

Major Cults and False World Religions Steve Urick, 2011-03. Cults and false religions are dangerous. They preach a false gospel and lead people into a false spirituality. Their victims are kept blinded from the true gospel of Christ while they are held in bondage to whatever false belief system and legalistic practices they must maintain. **Major Cults and False World Religions** reveals several key characteristics that make them unbiblical. It also exposes several major false cults and religions that have the majority of the world's population deceived and headed for Hell. This book is the result of thirty-one years of evangelism work, studying comparative religions, and apologetic research and debate. It will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks.
