Summary of Kenneth Roman & Joel Raphaelson's Writing That Works, 3rd Edition Everest Media, 2022-06-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The goal of clear communication is not to be clear but to be effective You won t be able to take action on the information if it is unclear or irrelevant to the subject 2 To get action from busy people your writing must cut through to the heart of the matter It must require a minimum of time and effort on the reader s part The importance of this increases with the importance of your reader 3 The biggest time waster is shuffling things from one pile to another while you drown in a sea of indecision Effective executives try to handle paper only once and they delete or respond to e mail on the spot
