*Catch 420* Mikal Mkali, 2024-11-12 This book is based on true events about how the government superseded the State of California not only by trying to convict me of legally growing marijuana under the guidelines of the State of California Prop 215 but by lying to do so This is a story from where I ended up to how I got there in the first place being the only one with an appointed attorney in my case while my codefendants had high profile paid counseling Where loyalty is tested and lies conflict with the actual facts Where there is corruption in the FBI to get a conviction Where you find out who your real friends are when shit hits the fan This story runs parallel to how the government trumps state laws Which I considered entrapment a catch 22 or in this case a catch 420

**Tweak** Nic Sheff, 2012-12-11 THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control But control was something I d lost a long time ago Nic Sheff was drunk for the first time at age 11 In the years that followed he would regularly smoke pot do cocaine and ecstasy and develop addictions to crystal meth and heroin Even so he felt like he would always be able to quit and put his life together whenever he needed to It took a violent relapse one summer to convince him otherwise In a voice that is raw and honest Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery He paints an extraordinary picture for us of a person at odds with his past with his family with his substances and with himself Tweak is a raw harrowing and ultimately hopeful tale of the road from relapse to recovery and complements his father s parallel memoir Beautiful Boy Praise for Nic Sheff Difficult to read and impossible to put down Chicago Tribune Nic Sheff s wrenching tale is told with electrifying honesty and insight Armistead Maupin

*Not Monsters* Pamela D. Schultz, 2005-01-17 In the wake of recent violence our nation has experienced and the paranoia that has ensued we ve directed our attention to potential terrorists in our midst Yet our children face more risk from people they know than from terrorists they have never met An estimated one in five girls and one in ten boys in the United States experience some form of sexual abuse by age eighteen What could possibly motivate a person to molest a child Not Monsters documents the stories of nine convicted child molesters through one on one interviews listening to what offenders have to say about their crimes and exploring the roots of these behaviors from a social constructionist perspective Their words paint a compelling and frightening portrait of how sexual abuse works in Western culture to perpetuate a political and social system of dominance and control

**Eat Drink And Be My Best; Forget The Rest** Theo Annika Knillsson,2019-03-21 Years of abuse and neglect have affected my eating and drinking and what was best for me overall It is hard to eat healthy when there is not enough money to do so Also when a victim is an emotional mess it is hard to eat healthily In reality the abuser pretty much dictates what when and if you eat at all Abusers force victims to eat foods that make a victim never want to eat that food again and some of those foods are healthy foods There are so many factors in why victims of abuse eat the way they do and why they have eating disorders Eating healthily is a big deal especially when a victim becomes malnourished due to abuse I was anorexic for a few years because of the long term horrific abuse At this time I had just had my last child down to ninety pounds and not able to gain weight no matter what I ate after I got out of the abusive situation It took years of eating enough healthy food to get my weight back to a normal weight And then of course I unintentionally got back into another abusive situation His control and abuse put me far into debt because I was not going to eat unhealthily and go back to being anorexic ever again I was forced not to work in this final abusive marriage I will never get into an abusive marriage again even if I had been lured into abusive marriages in my past by them over and over again Forced not to work made it so I had to use credit cards in order to eat enough healthy food At least I was not damaged again by anorexia No matter how forceful or abusive my husband was then my kids were not going to go without healthy food even if I was on a tight budget I would go into debt all over again so they could eat healthy I keep thinking I will pay it off and go to work as soon as I am safe enough to get out of this abusive marriage Finally out of that my last abusive marriage I am slowly but surely paying off the debt Yes with a lot of interest charge but I am going to be out of debt eventually I work as much as I can even if I am physically disabled unlike my last abusive husband I have to work to eat healthy I can t worry about the debt or I won t get out I eat healthy and in time I will become wealthy enough to be out of debt Because healthy is wealthy That is why I wrote this book to give you the reader ideas on what and how to eat drink and be the best forget the rest I will always be on a tight budget and that is how I will get out of debt SMART SPENDING HAPPY ENDING **Wicked Choice** Sawyer Bennett,2018-01-02 Rachel Hart and I are

nothing more than teammates As mercenaries for hire with the elite Jameson Group we have each other s backs in the most dangerous of circumstances But after a mission gone deadly wrong we do something we ve never done before We cross the professional line and take comfort in one another s arms One night of passion turns our lives upside down with a pregnancy neither of us expected and one that Rachel clearly never wanted But I am a family man through and through and I m determined to raise my child with or without Rachel by my side The only common thread Rachel and I have is our membership at The Wicked Horse a sex club that lets us fulfill our dirtiest fantasies with one another As we become more intimately entwined I find myself falling for Rachel more and more Our wicked nights together make us so much more than teammates And when faced with losing everything I have to hope that Rachel realizes the most difficult choices are actually the easiest ones to make
