Chawora,2017-07-21 Jonathan J Chawora an African who is a British

resident had never heard of Barack Obama until the junior senator from Illinois campaigned to be the Democratic presidential candidate When Obama clinched the nomination Chawora became intrigued and when Obama delivered his victory speech the morning after the election he could not hold back tears as he heard the U S s first black president pronounce his famous slogan Yes we can His respect only grew after Obama banned the use of torture by American forces sought to shut down Guantanamo Bay Prison and pledged his commitment to fighting terrorism throughout the world Through it all Obama was calm under pressure and served as an example to future leaders Even when he had to respond to Islamic State attacks Brexit the Ukrainian crisis or the Syrian conflict he kept his composure Join the author and examine the lasting legacy of one of the greatest presidents the United States of America has ever had with this book *Looking Back on President Barack Obama's Legacy* Wilbur C. Rich, 2018-12-12 When President Barack Hussein Obama left office January 20 2017 he left a fascinating legacy The Obama Presidency will remain an intriguing part of our nation s political history and we can now say that there were unexpected achievements and failures His tenure was both historical and complex and will inevitably be compared with his predecessors and successors The chapters in this volume are a serious assessment of President Obama s tenure written by a diverse team that includes political scientists sociologists historians and economists They provide critical insights into the man and his policies and more importantly are written in a manner that makes them available to laypersons journalists students and scholars *Barack Obama's Promised Land* Jack Cashill, 2021-07-06 In his introduction to the world at the 2004 Democratic National Convention then state senator Barack Obama insisted There is not a liberal America and a conservative America there is the United States of America There is not a Black America and a White America and Latino America and Asian America there s the United States of America But as his latest memoir *A Promised Land* makes clear Obama inhabits a smug elite liberal America in which conservatives are not welcome Indeed from Obama s perspective their every thought gesture and vote is insincere and likely racist Although the Obama memoir is obsessed with race Obama as president and as writer has refused to address the one problem he knew to be at the heart of America s racial divide the disintegration of the black family While Obama and his peers have profited from the opportunities America offers his lack of courage has doomed the black inner city to another generation of crime drugs and educational failure To divert attention from his own failure Obama has cast the right as the other in his ongoing melodrama driving a wedge between black and white that will take generations to heal **Barack Obama's Post-American Foreign Policy** Robert Singh, 2012-06-07 This book is available as open access through the Bloomsbury Open Access programme and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) After one of the most controversial and divisive periods in the history of American foreign policy under President George W Bush the Obama administration was expected to make changes for the better in US relations with the wider world Now international problems confronting Obama appear more intractable and there seems to be a marked continuity in policies between Obama and his predecessor Robert Singh argues that Obama s approach of

strategic engagement was appropriate for a new era of constrained internationalism but it has yielded modest results Obama's search for the pragmatic middle has cost him political support at home and abroad whilst failing to make decisive gains Singh suggests by calibrating his foreign policies to the emergence of a post American world the president has yet to preside over a renaissance of US global leadership Ironically Obama's policies have instead hastened the arrival of a post American world

**Quicklet on Barack Obama's Dreams From My Father** Abdul Montaqim, 2012-02-12 ABOUT THE BOOK The first time I saw a news report about Barack Obama was well before he became the first black President of the United States of America And in this book Dreams from My Father A Story of Race and Inheritance Obama takes the reader back to those not too distant days when the world was completely different Despite his obvious agreeable qualities I was one of those people who did not believe Obama would become the Democratic Party's nomination for president And I certainly did not believe he could be president Not once did I imagine that so many millions of Americans regardless of race or creed were to paraphrase Obama himself ready to vote for a divided soul the ghostly image of the tragic mulatto trapped between two worlds to be their president But they did And the rest as they say is black and white history

**MEET THE AUTHOR** Abdul Montaqim is a journalist based in London and has been working in the media since 1989 Among the more well known titles he has written for are The Guardian newspaper Time Out magazine and the International Business Times website He has edited a number of local and community newspapers magazines and websites and has over the course of his career worked for some of the largest publishers in Europe including Emap LLP and Mirror Group Newspapers Abdul has also worked outside of the United Kingdom moving to Abu Dhabi for a year to work on the first national daily newspaper in United Arab Emirates The National and he has consulted for media companies in Bangladesh where he was born Abdul briefly worked for a New York headquartered cable television channel called AsiaNet as a news editor and realised that although he loves researching writing and other technical parts of a journalist's job he does not like presenting preferring to be behind the camera or back in the studio He also realised that although reporting a story through the medium of television is obviously different from telling it through a newspaper or magazine the heart and mind of every media company is researching and writing In his spare time Abdul likes to spend time with his family cooking eating watching films listening to music reading and writing When he goes out he likes to watch movies at the best cinemas see live music performances and eat at good restaurants He also loves gardening fishing and going for long walks

**EXCERPT FROM THE BOOK** Dreams from My Father A Story of Race and Inheritance is Barack Obama's ode to his early life which was varied and exotic to say the least and would have been challenging for any child He made the decision to write the book after receiving an advance from a publisher some time after he had been elected president of the Harvard Law Review the first African American to hold the position Dreams from My Father was first published in 1995 in the style of a memoir and marked the initial expression of the young Democrat's political ambition Obama was aged only 34 at the time and was gaining a reputation as a community activist a civil rights

lawyer and a university lecturer And in 2004 after almost a decade of considerable political success and in the run up to being voted the Senator for Illinois Obama decided to re publish the book for a second time In his introduction he said he originally wrote the book with the belief that the story of my family and my efforts to understand that story might speak in some way to the fissures of race that have characterized the American experience as well as the fluid state of identity the leaps through time the collision of cultures that mark our modern life Buy a copy to keep reading

**Die Präsidenten der USA** Christof Mauch,2021-03-18 Von George Washington bis Joe Biden bietet dieser Band eine kleine Geschichte der USA im Spiegel ihrer Pr sidenten Die Autorinnen und Autoren schildern in 46 biographischen Portr ts Leben und Amtszeit der US Pr sidenten skizzieren die wichtigsten Entwicklungen Ereignisse und Entscheidungen und betrachten abschlie end Leistungen und Vers umnisse der jeweiligen Pr sidentschaft So ist zugleich ein Panorama der US amerikanischen Geschichte von der Unabh ngigkeit am Ende des 18 Jahrhunderts bis zur globalen Supermacht unserer Tage entstanden *President Barack Obama* John K. Wilson,2019-11-11 Barack Obama s improbable quest has become a fact of American life and a benchmark in American history Striving now toward a more perfect union Obama and the nation confront obstacles unforeseen at the outset of the 2008 electoral campaign John K Wilson tracks the sweep of this progress from the beginning of Obama s political career through his move into the White House With his critical journalistic eye and his sympathetic native son perspective Wilson shows us a side of Obama we haven t seen as well as a view of the media we need to understand even more now as the Obama administration begins to govern The paperback edition of this popular book includes a new introduction updates throughout and two new chapters on the electoral victory and the transition from campaigning into governing New photos and new insights include a focus on the continued importance of race in American politics

**Barack Obama's Speeches** Achille Albonetti,2022-01-31 The greatest and most conflicted nation of our world democratically chose an Afro American to serve as first citizen and it happened twice already On the 4th of November 2008 Barack Obama was elected President of the United States of America by defeating the Republican candidate Senator John McCain and by prevailing over Hillary Clinton On the 6th of November 2012 he was confirmed in his office when he triumphed over the Republican candidate Mitt Romney This was an unprecedented event By making this choice the United States of America stressed the importance of equality between men and women the equal dignity and the fact that everyone can aim for the highest office in the land This collection of speeches of President Obama highlights not only the traits which make him an undeniable charismatic leader but also his great humanity and the wisdom that lies underneath his unforgettable words Achille Albonetti has had a long and meaningful life full of achievements fascinating travels and stays abroad Expert at the Technical Delegation at the Italian Embassy in Washington he also worked as an economic advisor for the Italian Permanent Representation at the OECD Organization for Economic Co operation and Development in Paris Later he served as Italian Governor for the International Atomic Energy IAEA of the United Nations in Vienna He is also the President of the Italian

Total and Unione Petrolifera For some years now he is the Director of the most prestigious Italian magazine about global issues the quarterly magazine Affari Esteri and has published several books and essays about political as well as economic problems

**The Roots of Obama's Rage** Dinesh D'Souza, 2011-10-03 Critics of President Obama have attacked him as a socialist an African American radical a big government liberal But somehow the critics have failed to reveal what's truly driving Barack Obama Now bestselling author Dinesh D Souza throws out these misplaced attacks in his new book The Roots of Obama's Rage The reason explains D Souza that Obama appears to be working to destroy America from within is found as Obama himself admits in The Dreams of His Father a deeply hostile anti colonialism Instilled in him by his father this worldview has led President Obama to resent America and everything for which we stand Viewing Obama through this anti colonialism prism and drawing evidence from President Obama's own life and writings D Souza masterfully shows how Obama is working to weaken and punish America here and abroad
