**The Secrets of Suffering** T.A. Nalian, 2020-04-28 The moment we find ourselves in adversity we tend to quickly react in two ways Lord would you deliver me and deliver now And Why is this happening to me Often deliverance will not come immediately and the epic question why is truly the big reason for this book In your lifetime suffering will be inescapable This is why it's so important we learn to navigate our way through the thick dark forest of suffering If we do not learn this ourselves and neglect to teach those coming after us we will forego many blessings and experiences with God and expose our children students and parishioners to the same The uniqueness of this book is positioned in the fact that its author has experienced suffering beginning at the age of three to the writing of this work Therefore the substance of this book rests not in hypothesis but rather in real time experience If you are suffering this book can help you for the simple reason that the author will compel you to put yourself in the presence of His Majesty the Lord Jesus He is the one who has suffered the most The one who suffered the most can help you the most Why Because He is the Almighty Eternal God He loves you with an everlasting unconditional love The Lord can identify with your every hurt He will show you in your suffering that He is close intimate and He cares Everyone knows someone who is struggling and suffering This book would be the perfect gift and resource equipping them to persevere while at the same time experiencing the glorious blessings of God in the process
