**Two Wings Poetry** Janice Louise Thompson, 2024-12-24 As a child starting in the third grade I always loved creative writing This was the subject I liked best All of my writing seem to be poetic in form And with an imaginative power of rhyming It seemed that everything I wrote The first word would sound like the last For example love from above I never knew why this was As I grew older my writing did not Change very much Rhyming of words always made me smile I did not realize that this became my style of writing As I got older on into my adulthood As I would read the Bible Certain scriptures would peak my interest I would write off to the side what it meant to me Always in poetic style Such as Luke 8 15 those with a noble and good heart In the form of a poem I would scribble these poems on whatever Piece of paper that was Available and date it In 2009 I had a brain aneurysm During that time God was healing me I began putting these scribbles in dated order As I shared these poems and thoughts With my daughter and grandsons They were so inspired by them They encouraged me to write a book Of poems thoughts and quotes I started sharing with others As I was called on to recite my poems I was encouraged To publish them and share with others I amazed myself by what I had written I realized that it wasn't about me This was meant for others to read and see See with the spiritual eyes      **Current Opinion** Edward Jewitt Wheeler, Frank Crane, 1896      *Wings of Poesy* Flint Poetry Forum, 1955      *A New Library of Poetry and Song* William Cullen Bryant, 1895
