**Garner on Language and Writing** Bryan A. Garner, 2009 Since the 1987 appearance of *A Dictionary of Modern Legal Usage* Bryan A Garner has proved to be a versatile and prolific writer on legal linguistic subjects This collection of his essays shows both profound scholarship and sharp wit The essays cover subjects as wide ranging as learning to write style persuasion contractual and legislative drafting grammar lexicography writing in law school writing in law practice judicial writing and all the literature relating to these diverse subjects

Garner's Modern American Usage Bryan Garner, 2009-07-28 Since first appearing in 1998 Garner s *Modern American Usage* has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation An exciting new feature of this third edition is Garner s Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout GMAU is the first usage guide ever to incorporate such a language change index The judgments are based both on Garner s own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved Bryan A Garner is a writer grammarian lexicographer teacher and lawyer He has written professionally about English usage for more than 28 years and his work has achieved widespread renown David Foster Wallace proclaimed that Bryan Garner is a genius and William Safire called the book excellent In fact due to the strength of his work on GMAU Garner was the grammarian asked to write the grammar and usage chapter for the venerable *Chicago Manual of Style* His advice on language matters is second to none

Effervescent Adventures with Britannia Roger Louis, 2017-12-05 *Effervescent Adventures with Britannia* is the latest addition to Wm Roger Louis s stimulating and acclaimed series *Adventures with Britannia* It draws upon a distinguished array of writers and scholars historians political scientists journalists novelists biographers and English literature specialists to guide the reader through a fascinating labyrinth of British culture history and politics Together they provide a unique insight into the pivotal themes political literary and cultural which have shaped British state and society The subjects covered include a new analysis of Jack the Ripper by Richard Davenport Hines a new appraisal of Harold Nicholson and *Royal Biography* by Jane Ridley and

a new account of Evelyn Waugh in North America by Martin Stannard In literature Patrick French writes on V S Naipul in history Andrew Lownie offers new perspectives on Guy Burgess and in politics Kenneth O Morgan considers what will become of Britain after Brexit Collectively the chapters combine a rich mix of original ideas historical and literary allusion personality and anecdote to provide an intellectual adventure into the mainsprings of modern British and international society

**Learned Writing** Chinua Asuzu,2019-05-22 As lawyers we must not in hot pursuit of common law outrun common sense The dread of that eventuality prompted this book Learned Writing promotes common sense in legal language Plain language which is commonsensical broadens access to legal documents thus democratizing the law If democracy is government of the people by the people and for the people law is the language in which government interacts with the people it is the language of democracy The people whose government speaks through law must understand what is said No democratic society should brook legalese a dense verbose dialect known only to lawyers What then should society do to redress the lawyer induced obscurity A Shakespearean character had an alarming proposal The first thing we do let s kill all the lawyers Apparently that proposal was not enthusiastically endorsed which explains why we re still here A milder remedy enrolling lawyers in language classes has been muted which explains why this book is in your hands Learned Writing motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries This book is as sweeping a treatment of its subject as you can find anywhere

*Garner's Modern English Usage* Bryan Garner,2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner s Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you re sure to learn from every single page of this book

Writing Effective Course Assignments Elia Shabani Mligo,2017-05-11 Non degree and undergraduate students are both

inexperienced essay writers who need close guidance to become effective writers One of the puzzles which they encounter at the college and university after reporting for studies is the course assignments offered to them by their lecturers which demand them to be critical thinkers and argumentative essay writers In most colleges and universities lecturers provide to students broad questions to answer in the form of essays either in group or individual assignments How should they turn the broad assignment questions provided to them by their lecturers into specific researchable topics for essays How should they handle literature in order to obtain valuable information to answer the provided question How should they construct an informed and convincing argument using the collected information as evidence This book concerns these and other related questions With its clear illustrations the book is designed to be a self study guide and to offer solutions to many struggling students in colleges and universities At the same time the book can be helpful for lecturers to instruct their students how to write effective course assignments in their respective courses      **Grammar for the Soul** Lawrence A.

Weinstein,2013-08-15 In this wise and charming book Lawrence Weinstein explores how self expression reveals the psyche and how changing language can change lives In chapters like Tolerating Ambiguity and Getting Out of One s Own Way he describes how the proper use of an element of punctuation or syntax even the simple reversal of an object and subject can help one become a whole human being Clear examples amusing anecdotes and telling quotes support Weinstein s technique for teaching self improvement through improved grammar      **Pop Trickster Fool** Kelly M. Cresap,2004 Analyzes Warhol s persona as a revolutionary performance artist      **The Plain English Approach to Business Writing** Edward P.

Bailey,1997-08-07 This book is intended for general readers with an interest in writing for business purposes
