Nina Silber, Mary Beth Sievens

Yankee Correspondence Civil War Letters Between New England Soldiers And The Home Front A Nation Divided Studies In The Civil War Era:

Civil War Talks George S. Bernard, 2012-06-20 George S Bernard was a Petersburg lawyer and member of the 12th Virginia Infantry Regiment during the Civil War Over the course of his life Bernard wrote extensively about his wartime experiences and collected accounts from other veterans In 1892 he published War Talks of Confederate Veterans a collection of firsthand accounts focusing on the battles and campaigns of the 12th Virginia that is widely read to this day Bernard prepared a second volume but was never able to publish it After his death in 1912 his papers became scattered or simply lost But a series of finds culminating with the discovery of a cache of papers in Roanoke in 2004 have made it possible to reconstruct a complete manuscript of the unpublished second volume The resulting book Civil War Talks contains speeches letters Bernard s wartime diary and other firsthand accounts of the war not only by veterans of the Confederacy such as General William Mahone but by Union veterans as well Their personal stories cover the major military campaigns in Virginia Maryland and Pennsylvania Seven Pines Malvern Hill Gettysburg Wilderness Spotsylvania Petersburg and Appomattox For the general reader this volume offers evocative testimonies focusing on the experiences of individual soldiers For scholars it provides convenient access to many accounts that until now have not been widely available or have been simply unknown

Copperheads Jennifer L. Weber, 2008 Disgraced after the war the Copperheads melted into the shadows of history Here Jennifer L Weber illuminates their story Jacket **Marching Masters** Colin Edward Woodward, 2014-03-05 The Confederate army went to war to defend a nation of slaveholding states and although men rushed to recruiting stations for many reasons they understood that the fundamental political issue at stake in the conflict was the future of slavery Most Confederate soldiers were not slaveholders themselves but they were products of the largest and most prosperous slaveholding civilization the world had ever seen and they sought to maintain clear divisions between black and white master and servant free and slave In Marching Masters Colin Woodward explores not only the importance of slavery in the minds of Confederate soldiers but also its effects on military policy and decision making Beyond showing how essential the defense of slavery was in motivating Confederate troops to fight Woodward examines the Rebels persistent belief in the need to defend slavery and deploy it militarily as the war raged on Slavery proved essential to the Confederate war machine and Rebels strove to protect it just as they did Southern cities towns and railroads Slaves served by the tens of thousands in the Southern armies never as soldiers but as menial laborers who cooked meals washed horses and dug ditches By following Rebel troops continued adherence to notions of white supremacy into the Reconstruction and Jim Crow eras the book carries the story beyond the Confederacy s surrender Drawing upon hundreds of soldiers letters diaries and memoirs Marching Masters combines the latest social and military history in its compelling examination of the last bloody years of slavery in the United States Frederick Douglass Frederick Douglass, 2013-08-06 Frederick Douglass was born enslaved in February

1818 but from this most humble of beginnings he rose to become a world famous orator newspaper editor and champion of the rights of women and African Americans He not only survived slavery to live in freedom but also became an outspoken critic of the institution and an active participant in the U S political system Douglass advised presidents of the United States and formally represented his country in the diplomatic corps He was the most prominent African American activist of the nineteenth century and he left a treasure trove of documentary evidence detailing his life in slavery and achievements in freedom This volume gathers and interprets valuable selections from a variety of Douglass s writings including speeches editorials correspondence and autobiographies *Take Care of the Living* Jeffrey W. McClurken,2009-08-11 *Take Care of the Living* assesses the short and long term impact of the war on Confederate veteran families of all classes in Pittsylvania County and Danville Virginia Using letters diaries church minutes and military and state records as well as close analysis of the entire 1860 and 1870 Pittsylvania County manuscript population census McClurken explores the consequences of the war for over three thousand Confederate soldiers and their families The author reveals an array of strategies employed by those families to come to terms with their postwar reality including reorganizing and reconstructing the household turning to local churches for emotional and economic support pleading with local elites for financial assistance or positions sending psychologically damaged family members to a state run asylum and looking to the state for direct assistance in the form of replacement limbs for amputees pensions and even state supported homes for old soldiers and widows Although these strategies or institutions for reconstructing the family had their roots in existing practices the extreme need brought on by the scope and impact of the Civil War required an expansion beyond anything previously seen McClurken argues that this change serves as a starting point for the study of the evolution of southern welfare **Journal of American Culture** ,1998

Yankee Correspondence Nina Silber,Mary Beth Sievens,1996 They are grouped by six major themes the military experience the meaning of the war views of the South politics on the home front the personal sacrifices of war and the correspondence of one New England family **Subject Guide to Books in Print** ,2001 **Forthcoming Books** Rose Army,1996-06 [The Examiner](#) ,1863 **Civil War Extra: A newspaper history of the Civil War from Nat Turner to 1863** Eric Caren,1999 This two volume collection of newspapers is one of the most important Civil War publications ever produced and it brings the events of the war vividly in focus A unique of the moment perspective it begins with the Nat Turner slave insurrection and covers every battle many by the local papers for a truly firsthand up close view Lincoln s election inauguration and assassination are given full coverage Caren s extensive collection includes many extremely rare Southern editions which would never be seen except in this remarkable publication Loaded with engravings depicting battles military leaders and maps this is an absolutely essential addition to any enthusiast s collection [Popular Mechanics](#) ,2000-01 *Popular Mechanics* inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest
