The Blessing of a B Minus Wendy Mogel, 2011-09-13 New York Times bestselling author and host of the podcast *Nurture vs Nurture*. Dr. Wendy Mogel shows parents how to navigate the challenging teenage years. When a child becomes a teenager, her sense of entitlement and independence grows, the pressure to compete skyrockets, and communication becomes fraught with obstacles. Dr. Wendy Mogel emphasizes empathy and offers guidance over micromanaging teens' lives and overreacting to missteps. She reveals that emotional outbursts, rudeness, rule-breaking, staying up late, and other worrisome teen behaviors are, in fact, normal and necessary steps in psychological growth and character development. With her signature wit and warmth, Mogel gives parents the tools to meet these behaviors with thoughtful care, offering reassuring advice on why influence is more effective than control, teenage narcissism, living graciously with rudeness, the surprising value of ordinary work, why risk is essential preparation for the post-high school years, when to step in and when to step back. *The Blessing of a B Minus* is an important and inspiring book that fortifies parents through the teenage years.

Connecting Pulpit and Pew Karla J. Bellinger, 2014 Whether you preach from a pulpit or sit in a pew, you hope and pray for a homily that connects the Good News with life. But what does it mean to connect? In a world that buzzes with the synapses of technological connection, can the human touch of preaching make a difference anymore? *Connecting Pulpit and Pew* is a fresh look at the conundrum of Catholic preaching, asking six key questions: Why does Sunday preaching matter, and to whom? Why is Catholic preaching such an uphill climb? How can we connect the gospel message with our young people? What are the struggles of clergy on the ground in preaching? What is going on in the listener's head during the homily? And finally, what can each of us do to help connection in preaching become more common? New research speaks to those questions from the voices of youth, the experiences of lay leaders, and the words of priests and deacons. Karla Bellinger offers concrete ways to connect the pulpit and the pew so that preaching becomes an act of love within a community of caring. This practical book breaks open an important and necessary conversation.
