benevolence but out of commercial necessity We were created by the medical and scientific process of cloning The biblical description of the creation of Eve supports such an hypothesis The description of her creation is much the same as the procedures being used by our doctors and scientists today to create duplicates and modified alternation of many different species of life among them man himself The leader and the authority by which man came into being was the individual identified by Jehovah as the Lord God and by Melchizedek king and high priest of Salem as the Most High God To be the most high god indicates that there must have been lessor beings also identified as gods One of those lessor beings was Jehovah one of the subordinates of the Lord God He is identified in scripture as YHWH Yahweh Ishi Baali and Jehovah Jehovah assumed the title of a god when he convinced Abraham to follow him He did not become a god until he lead the Hebrews into the Sinai wilderness Gods need worshipers temples priests sacrificial offerings gifts and a land to call ones own Jehovah had none of these things until he was able to have Moses lead the Hebrews into the Sinai wilderness This was his first step in establishing his dynasty Once he had the congregation under his control he had taken the first step towards his ambition he had worshipers Next he ordained the tribe of Levi as the priests who would wait on and serve him

Sheila G. Arnold, Rev. Dr. Antonio Q. Arnold, 2008-05-07 The first book I had written contains information regarding the traditional things that are going on in the church today and have been going on for many many years God has inspired me with the assistance from my wife to dig deeper and research a little more about these traditions It is to open our eyes as well as the eyes of others and set us free from those old traditions that are holding us back from having a real relationship with Christ Christ came to save us not to keep us in bondage or slavery People are hurting because they have been taught that there is a certain way that they have to serve God in order to be blessed They have been told that there are certain things they cannot do if they want to be blessed or saved The so called Pastors False Prophets have kept so many people in darkness Gods people are still in bondage by the false teachers So many people believe if they don't work in the church usher in the choir on the missionary board etc they are not saved Many people believe that you have to work to be saved They have missed the mark As a Christian you work because you are saved it is not an obligation but a privilege Christ is our comforter He has not come to keep us in bondage He has freed us from our sins from the law of bondage When the people came to Jesus and ask to be healed he always tell them that your faith has made you whole or your faith has healed you Faith in Christ is the Key Word      The Expositor's Bible Commentary - Abridged Edition: New Testament Kenneth L.
