Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry

Christian Beyer,Alex Burri

Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry:

Rethinking Intuition Michael Raymond DePaul, William M. Ramsey, 1998 Ancients and moderns alike have constructed arguments and assessed theories on the basis of common sense and intuitive judgements This volume brings together a group of philosophers and psychologists to discuss these issues It contains a collection of essays discussing intuition from two different perspectives They also cover how psychological research seems to pose serious challenges to traditional intuition driven philosophical enquiry

The Role of Intuitions in Philosophical Methodology Serena Maria Nicoli, 2016-11-21 This book focuses on the role of intuition in querying Socratic problems the very nature of intuition itself and whether it can be legitimately used to support or reject philosophical theses The reader is introduced to questions connected to the use of intuition in philosophy through an analysis of two methods where the appeal to intuition is explicit thought experiments and reflective equilibrium In addition the debate on the legitimacy of such an appeal is presented as connected to the discussion on the nature of the aims and results of philosophical inquiries Finally the main tenets and results of experimental philosophers are discussed highlighting the methodological limits of such studies Readers interested in the nature of intuition in philosophy will find this an invaluable and revealing resource

[Handbuch Erkenntnistheorie](#) Martin Grajner, Guido Melchior, 2019-03-08 Die Erkenntnistheorie z hlt zu den wichtigsten Teildisziplinen der theoretischen Philosophie Seit 2000 hat sich die Disziplin sehr stark entwickelt In diesem Zeitraum wurden in der Forschungsliteratur viele neue Antworten auf klassische erkenntnistheoretischen Fragen hervorgebracht und auch g nzlich neue Fragen und Probleme behandelt Das Handbuch liefert einen berblick ber die aktuelle Entwicklung der Disziplin

Intuitionen in der analytischen Philosophie Julia Langkau, 2017-02-09 Intuitionen in der analytischen Philosophie Die Jagdgr nde der theoretischen Philosophie sind das Rationale Verstand und Vernunft das Bewusste und eben nicht das Unbewusste diskursive Denken und eben nicht Intuition Vor diesem Hintergrund widmete die Philosophische Gesellschaft Z rich ihr Vortragsreihe 2014 15 gerade diesen Themen um ber die Grenz und Randgebiete der Philosophie in ihr Zentrum zu gelangen

Seeing, Knowing, and Doing Robert Audi, 2020 This book provides an overall theory of perception and much of a theory of knowledge It explains how we can have justified beliefs and knowledge concerning the physical world the abstract realm and the normative domain of right and wrong

An Introduction to Philosophical Methods Christopher Daly, 2010-07-20 An Introduction to Philosophical Methods is the first book to survey the various methods that philosophers use to support their views Rigorous yet accessible the book introduces and illustrates the methodological considerations that are involved in current philosophical debates Where there is controversy the book presents the case for each side but highlights where the key difficulties with them lie While eminently student friendly the book makes an important contribution to the debate regarding the acceptability of the various philosophical methods and so it will also be of interest to more experienced philosophers

Experimental Philosophy and its Critics Joachim Horvath, Thomas Grundmann, 2013-09-13 Experimental

philosophy is one of the most recent and controversial developments in philosophy Its basic idea is rather simple to test philosophical thought experiments and philosophers intuitions about them with scientific methods mostly taken from psychology and the social sciences The ensuing experimental results such as the cultural relativity of certain philosophical intuitions has engaged and at times infuriated many more traditionally minded armchair philosophers since then In this volume the metaphilosophical reflection on experimental philosophy is brought yet another step forward by engaging some of its most renowned proponents and critics in a lively and controversial debate In addition to that the volume also contains original experimental research on personal identity and philosophical temperament as well as state of the art essays on central metaphilosophical issues like thought experiments the nature of intuitions or the status of philosophical expertise This book was originally published as a special issue of Philosophical Psychology

Philosophical Knowledge Christian Beyer,Alex Burri,2007 Philosophical Intuitions Their Target Their Source and Their Epistemic Status Naturalism and Intuitions Intuitions Their Nature and Epistemic Efficacy The Nature of Rational Intuitions and a Fresh Look at the Explanationist Objection Philosophical Knowledge and Knowledge of Counterfactuals The Possibility of Knowledge Transcendental Arguments a Plea for Modesty A Priori Existence

Philosophical Methodology: The Armchair or the Laboratory? Matthew C. Haug,2013-07-31 What methodology should philosophers follow Should they rely on methods that can be conducted from the armchair Or should they leave the armchair and turn to the methods of the natural sciences such as experiments in the laboratory Or is this opposition itself a false one Arguments about philosophical methodology are raging in the wake of a number of often conflicting currents such as the growth of experimental philosophy the resurgence of interest in metaphysical questions and the use of formal methods This outstanding collection of specially commissioned chapters by leading international philosophers discusses these questions and many more It provides a comprehensive survey of philosophical methodology in the most important philosophical subjects metaphysics epistemology philosophy of language philosophy of mind phenomenology philosophy of science ethics and aesthetics A key feature of the collection is that philosophers discuss and evaluate contrasting approaches in each subject offering a superb overview of the variety of methodological approaches both naturalistic and non naturalistic in each of these areas They examine important topics at the heart of methodological argument including the role of intuitions and conceptual analysis thought experiments introspection and the place that results from the natural sciences should have in philosophical theorizing The collection begins with a fascinating exchange about philosophical naturalism between Timothy Williamson and Alexander Rosenberg and also includes contributions from the following philosophers Lynne Rudder Baker Matt Bedke Greg Currie Michael Devitt Matthew C Haug Jenann Ismael Hilary Kornblith Neil Levy E J Lowe Kirk Ludwig Marie McGinn David Papineau Matthew Ratcliffe Georges Rey Jeffrey W Roland Barry C Smith Amie L Thomasson Valerie Tiberius Jessica Wilson and David W Smith

Grundbegriffe der Philosophie Christian Nimtz,Stefan Jordan,2025-02-12 Die zentralen Begriffe der Philosophie

markieren die Dreh und Angelpunkte der philosophischen Diskussion Grundbegriffe der Philosophie erl utert knapp und fundiert mehr als 100 Begriffe aus allen Bereichen der Philosophie von sthetik ber Gerechtigkeit bis hin zu Willensfreiheit und Zeit Der Band eignet sich zum Einstieg wie zum Nachschlagen Er wurde f r die elfte Auflage vollst ndig bearbeitet und um Artikel zu Grund Gr nde Deontologie und Feminismus erg nzt *What Philosophers Know* Gary Gutting,2009-04-02 Drawing upon the work of Quine Rawls Rorty and others Gutting challenges the standard view about what philosophers have achieved *Cognition, Content, and the A Priori* Robert Hanna,2015-10-08 In *Cognition Content and the A Priori* Robert Hanna works out a unified contemporary Kantian theory of rational human cognition and knowledge Along the way he provides accounts of i intentionality and its contents including non conceptual content and conceptual content ii sense perception and perceptual knowledge including perceptual self knowledge iii the analytic synthetic distinction iv the nature of logic and v a priori truth and knowledge in mathematics logic and philosophy This book is specifically intended to reach out to two very different audiences contemporary analytic philosophers of mind and knowledge on the one hand and contemporary Kantian philosophers or Kant scholars on the other At the same time it is also riding the crest of a wave of exciting and even revolutionary emerging new trends and new work in the philosophy of mind and epistemology with a special concentration on the philosophy of perception What is revolutionary in this new wave are its strong emphases on action on cognitive phenomenology on disjunctivist direct realism on embodiment and on sense perception as a primitive and proto rational capacity for cognizing the world *Cognition Content and the A Priori* makes a fundamental contribution to this philosophical revolution by giving it a specifically contemporary Kantian twist and by pushing these new lines of investigation radically further **Does Anything Really Matter?** Peter Singer,2017 In the first two volumes of *On What Matters* Derek Parfit argues that there are objective moral truths and other normative truths about what we have reasons to believe and to want and to do He thus challenges a view of the role of reason in action that can be traced back to David Hume and is widely assumed to be correct not only by philosophers but also by economists In defending his view Parfit argues that if there are no objective normative truths nihilism follows and nothing matters He criticizes often forcefully many leading contemporary philosophers working on the nature of ethics including Simon Blackburn Stephen Darwall Allen Gibbard Frank Jackson Peter Railton Mark Schroeder Michael Smith and Sharon Street *Does Anything Really Matter* gives these philosophers an opportunity to respond to Parfit s criticisms and includes essays on Parfit s views by Richard Chappell Andrew Huddleston Katarzyna de Lazari Radek and Peter Singer Bruce Russell and Larry Temkin A third volume of *On What Matters* in which Parfit engages with his critics and breaks new ground in finding significant agreement between his own views and theirs is appearing as a separate companion volume *When Words Are Called For* Avner Baz,2012-03-12 Challenging mainstream analytic philosophers to reconsider basic assumptions Baz defends the much maligned ordinary language philosophy as a form of practice that might provide a viable alternative to current work on philosophical intuitions knowledge and other

areas of philosophical difficulty He both argues for OLP and practices it here *Philosophy Within Its Proper Bounds* Edouard Machery, 2017 In *Philosophy Within Its Proper Bounds* Edouard Machery argues that resolving many traditional and contemporary philosophical issues is beyond our epistemic reach and that philosophy should reorient itself toward more humble but ultimately more important intellectual endeavors Any resolution to many of these contemporary issues would require an epistemic access to metaphysical possibilities and necessities which Machery argues we do not have In effect then *Philosophy Within Its Proper Bounds* defends a form of modal skepticism The book assesses the main philosophical method for acquiring the modal knowledge that the resolution of modally immodest philosophical issues turns on the method of cases that is the consideration of actual or hypothetical situations which cases or thought experiments describe in order to determine what facts hold in these situations Canvassing the extensive work done by experimental philosophers over the last 15 years Edouard Machery shows that the method of cases is unreliable and should be rejected Importantly the dismissal of modally immodest philosophical issues is no cause for despair many important philosophical issues remain within our epistemic reach In particular reorienting the course of philosophy would free time and resources for bringing back to prominence a once central intellectual endeavor conceptual analysis **Intuitions** Anthony Robert Booth, Darrell P. Rowbottom, 2014-07-10 Intuitions may seem to play a fundamental role in philosophy but their role and their value have been challenged recently What are intuitions Should we ever trust them And if so when Do they have an indispensable role in science in thought experiments for instance as well as in philosophy Or should appeal to intuitions be abandoned altogether This collection brings together leading philosophers from early to late career to tackle such questions It presents the state of the art thinking on the topic **Einstein's Brain** Sal Restivo, 2019-11-19 This book reviews the research on Einstein's brain from a sociological perspective and in the context of the social brain paradigm Instead of Einstein the genius of geniuses standing on the shoulders of giants Restivo proposes a concept of Einstein the social being standing on the shoulders of social networks Rather than challenging Einstein's uniqueness or the uniqueness of his achievements the book grounds Einstein and his achievements in a social ecology opposed to the myths of the individualism and the very idea of genius Einstein is defined by the particular configuration of social networks that he engaged as his life unfolded not by biological inheritances Experimental Philosophy Joshua Knobe, Shaun Nichols, 2014 This volume provides an introduction to the major themes of work in experimental philosophy bringing together some of the most influential articles in the field along with a collection of papers that explore the theoretical significance of this research Intuition as Conscious Experience Ole Klokksvik, 2020-11-29 Is torturing the innocent OK Just now something happened it seemed to you that torturing the innocent is wrong What kind of mental state were you in What is its nature Perhaps you now believe that torturing the innocent is wrong because it just seemed to you that it is If so that seems appropriate But is it really and if so what could explain this In this book Klokksvik argues these mental states form a psychological kind called intuition and that having an intuition indeed

justifies you in believing what it says What explains this he argues is how similar intuition is to perception Through a detailed examination he shows that intuition just like perception is a conscious experience and that the two experience types have important properties in common in virtue of which they can both justify belief In sharp contrast to traditional thought Koks vik argues that intuition is completely unrestricted in content we have intuitions about morality and metaphysics but also about all sorts of everyday things like danger or trustworthiness and in all cases they can justify The use of intuition is thus not only a legitimate part of philosophical and scientific practice it also plays a pervasive important and legitimate role in all of our everyday rational lives

Analytische Einführung in die Erkenntnistheorie Thomas Grundmann, 2017-07-24

Diese Analytische Einführung behandelt die wichtigsten Grundfragen und Probleme der Erkenntnistheorie und enthält eine ausführliche Darstellung von Positionen und Argumenten aus der gegenwärtigen Diskussion Sie richtet sich an Studierende der Philosophie und anderer Fachgebiete bietet aber auch für philosophische Kenner eine gewinnbringende kritische Orientierung Für die zweite Auflage wurde der Text vollständig bearbeitet um die jüngsten Entwicklungen im Themenfeld zu berücksichtigen Am Ende jedes Kapitels gibt es nun Studienfragen zur selbständigen Rekapitulation und kommentierte Hinweise auf wichtige neue und weiterführende Literatur Im Anhang finden sich Vorschläge für thematisch fokussierte Lehrveranstaltungen auf der Grundlage dieses Buches Behandelt werden u.a. die erkenntnistheoretischen Grundbegriffe Wahrnehmung Wahrheit Wissen und Rechtfertigung sowie unterschiedliche Antworten auf die Fragen nach der Struktur dem Umfang und den Quellen menschlichen Wissens Die spezifischen Wissensarten kommen ausführlich zur Sprache neben der Wahrnehmung insbesondere apriorisches Wissen Erinnerung Selbstwissen sowie sozialer Wissenstransfer und nicht deduktive Schlussverfahren Ein besonderes Augenmerk liegt außerdem auf der Rolle der Erkenntnistheorie innerhalb der Philosophie sowie ihrem Verhältnis zu den Einzelwissenschaften

Thank you certainly much for downloading **Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry**. Most likely you have knowledge that, people have seen numerous periods for their favorite books subsequently this Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry, but end up in harmful downloads.

Rather than enjoying a fine book subsequently a mug of coffee in the afternoon, instead they juggled taking into consideration some harmful virus inside their computer. **Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry** is easily reached in our digital library an online right of entry to it is set as public so you can download it instantly. Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry has opened up a world of possibilities. Downloading Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By

offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry Books

What is a Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry PDF?

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rethinking Intuition The Psychology Of Intuition And Its Role In Philosophical Inquiry PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
