

## Chapter – II

# Review Of Literature

### Introduction

Chapter second deals with the overall review of literature available on the present topic. It highlights on the research papers, related books and some published and un-published material. This chapter is divided into three different parts i.e.

- A) Review of Research Papers, Magazines and Journals.
- B) Review of Books.
- C) Review of reports and un-published material.

Review of literature has vital relevance with any research work. Due to literature review the possibility of repetition of study can be eliminated and another dimension can be selected for the study. The literature review helps researcher to remove limitations of existing work or may assist to extend prevailing study.

In order to make the crystal clear and in depth study proper fundamental review is necessary to gain the knowledge, literature review is necessary therefore the survey of literature has been conducted based upon that methodology for collecting data and information with reference to each representative category in the sample is formulated while carrying out the whole research . The descriptive and diagnostic studies with a stimulating insight backed by the experience covered in this chapter.
